Trash Laurie Anne Hoover, 2015-02-26 Flipping through a bag of old photographs Lynn Hellers relives her traumatic childhood growing up in the low income row houses of Kingston Ontario in the 1970s and 80s Against the backdrop of the dramatic social and political upheaval of the era Lynn's young life is dominated by crushing poverty and the violent explosions of her alcoholic and abusive father When his anger wasn't vented on their mother he turned to Lynn and her younger siblings who quickly learned to keep their thoughts to themselves Amidst the burden of survival Lynn's coming of age is further complicated by a profound crisis of faith and heartbreaking confusion around her sexuality Her only respite came from her caring and gentle maternal grandparents who offered a safe haven and encouraged her to pursue her passion for visual art as well as a determination to carve out a life for herself Lynn's memoir is told with frank and unapologetic realism that is at times harshly troubling and others bizarrely comical It is a story of compelling resilience crushing neglect and unshakable hope **The Sermons of John Donne, Volume I** John Donne, 2023-11-15 This title is part of UC Press's

Goodbye, My Tribe Vic Sizemore, 2020-04-14 Goodbye My Tribe An Evangelical Exodus is Vic Sizemore s collection of personal essays chronicling two simultaneous transformations One is the gathering of unconnected and nonpolitical evangelical congregations across the nation into the political juggernaut called the Religious Right the other is the author s own coming to terms with the emotional and spiritual trauma of his life deep inside fundamentalist Christianity and his struggle to free himself from its grasp Sizemore whose father was a preacher and professor at a small West Virginia Bible college attended Liberty University in Lynchburg Virginia arguably the crucible of American evangelical Christianity Sizemore began writing these essays with the aim of exploring and understanding what happened when the mythology of his tribe crumbled from beneath his feet He draws heavily on his upbringing and his family history as a framework for how his tribe of white evangelicals have found ways to reconcile Christianity with what the author finds to be troubling stances on many social issues among them race gender sexuality materialism anti intellectualism and white supremacy In a clear eyed and eloquent voice Sizemore grapples movingly with his own bewilderment and chagrin as he struggles to reconcile the essential philosophical and moral decay that he believes many evangelicals have come to embrace His insights arranged topically and thematically and told through graceful and accessible prose toggle between memoir and literary journalism along a spectrum that touches on history philosophy theology and personal reflections Defender of the Flame John B. Rosenman, 2020-03-26 Escaping an enemy infested mine on Lauren Turtan flies toward the First Station where he graduated four thousand years before Using Radiants intelligent submicroorganisms in his brain he hopes to train cadets to defeat the Cen and ultimately win the war On the way however he encounters a terrible problem that jeopardizes his mission before he even gets there The God Tube James M.
