How to Mentor Anyone in Academia Maria LaMonaca Wisdom, 2025-03-11. A practical guide to the art of mentorship in higher education. Mentoring is integral to how academics are formed and what trajectories their careers will take. Yet until recently no one was trained to do it and many academics have ingrained assumptions about mentorship that no longer fit the lives, needs and aspirations of mentees. *How to Mentor Anyone in Academia* shares proven techniques for the professional development of junior faculty, postdocs and graduate students in today's rapidly changing academic landscape. Drawing on her experience as a professional coach who has worked closely with hundreds of students and faculty across the humanities, sciences and social sciences, Maria LaMonaca Wisdom coaches readers in how to create their own signature approach to mentoring. She highlights the importance of honoring the unique backgrounds, values and goals of mentees and of self-knowledge and self-reflection for mentors. Through a series of coaching moments, Wisdom enables readers to reflect on a range of relevant topics including empathy and active listening, clarifying expectations, balancing firmness with heart, being attentive to power dynamics, time management and setting goals, mentoring for careers beyond the academy and self-care for both mentors and mentees. Incisive and accessible, *How to Mentor Anyone in Academia* offers strategies and tools supported by the latest data on effective mentorship, helping mentors and mentees build dynamic relationships, identify what's working and what's not, and map out strategies for continued growth.
