Skytrain to Nowhere Brandon Adamson, 2018-05-20 Skytrain to Nowhere is an imagination driven and esoteric volume of free form poetry The book documents the author's experiences thoughts and observations while riding the skytrain at Phoenix Sky Harbor International Airport over the period of several

weeks Since the skytrain is only designed to transport travelers between various terminals and parking facilities at the airport someone spending nearly 50 hours riding it purely for recreation and artistic inspirational purposes is highly unusual to put it mildly Aside from occasional quirky anecdotes about various passengers the poems mostly deal with themes of motion the passage of time and nostalgia The author grapples with these issues from a retro futurist perspective Skytrain to Nowhere celebrates the realization that our vitality hinges on our ability to always keep moving while recognizing we are unwilling or unable to leave some things behind on the journey *Happily Ever Resilient* Stephanie Goloway, 2022-04-26 All children deserve the tools to fight off whatever dragons they encounter and move happily through life In *Happily Ever Resilient* Dr Stephanie Goloway uses current trauma research and beloved multicultural variants of classic children s fairytales to create joyful playful learning experiences for young children Part one of the book covers why using fairytales in early childhood classrooms supports resilience and literacy in all children especially important for children who have experienced trauma and toxic stress Part two covers how to do this Each chapter includes Story Magic information about the fairytale and its multicultural variants how the story connects with the protective factors of resilience and suggestions for storytelling and storyacting Caring Magic activities that help children make connections with each other and adults in their lives related to the story Doing Magic suggestions for adapting classroom learning centers to support children s engagement with both the fairytale and resilience along with projects that promote initiative and executive functions Superpower Magic activities songs and games related to the story that foster self regulation as well as ways the story can be used to support calm integrated transitions and routines By tapping into the extraordinary magic of fairytales early childhood educators can create the ordinary magic of resilience **Carbs & Cadavers** Ellery Adams, 2018-02-20 Book One in the harrowing and heartwarming Supper Club Mystery series by New York Times bestselling author Ellery Adams Meet the Supper Club a group of friends dead set on counting calories and catching killers After giving up his dream job and moving back home to the small town of Quincy s Gap English literature professor James Henry is tired of finding his happiness at the bottom of a bag of cheese doodles In an effort to expand his social life and reduce his waistline he joins a supper club for dieters who lovingly call themselves the Flab Five He knows he and his new friends will have to watch what they eat but he never expected to find murder on the menu Former high school football star Brinkley Myers was worshipped by fans and loathed by women When he mysteriously drops dead in the local bakery a young waitress at the town diner is suspected of foul play Convinced she s innocent the Flab Five team up to weigh in on the investigation As the group begins to digest the clues and track down the real killer they start to worry that they ve bitten off more than they can chew and it will take every ounce of willpower they have to keep losing weight without losing their lives Includes tempting recipes This is a brand new fully revised edition of a book originally published under the name J B Stanley The first Supper Club mystery introduces the very likable and flawed James Henry Great pacing and characters make this a first rate book Readers will definitely want to come
