Top Gear: Epic Failures Richard Porter, 2014-05-22 Designing and making cars is an expensive thing to do So is racing them All told the car business spends billions every year and with such vast sums at stake you d think the people involved wouldn t give desk space to Captain Cockup Sadly you would be wrong Every department in every car firm and motorsport operation is capable of complete and abject failure and on a surprisingly regular basis Which is what this book is about You see Top Gear knows a thing or two about embarrassing mistakes as anyone who watched our India special will know The truth is for many years Top Gear has also regarded failure as funny Where other television programmes edit out the moment where the presenter falls over or slams their hand in a door Top Gear gleefully leaves it in So who better to take you on a gentle canter through 50 of the car world s biggest and most glorious failures That s right it s Top Gear Who else did you think If you want this sort of stuff from Countryfile you might be in for a wait Top Gear Epic Failures (kfa) Richard

Andy Wilman,2026-06-04 *And On That Bombshell* Richard Porter,2015-12-22 I was Top Gear s script editor for 13 years and all 22 series I basically used to check spelling and think of stupid gags about The Stig I also got to hang around with Jeremy Clarkson Richard Hammond and James May It didn t feel like something you should get paid for From the disastrous pilot show of 2002 to the sudden and unexpected ending in 2015 working on Top Gear was quite a rollercoaster ride We crossed continents we made space ships we bobbed across the world s busiest shipping lane in a pick up truck We also got

chased by an angry mob repeatedly sparked fury in newspapers and almost killed one of our presenters I realised that I had quite a few stories to tell from behind the scenes on the show I remembered whose daft idea it was to get a dog I recalled the willfully stupid way in which we decorated our horrible office I had a sudden flashback to the time a Bolivian drug lord threatened to kill us I decided I should write down some of these stories So I have I hope you like them And now a quote from James May Richard Porter has asked me to write a quote for his new book about the ancient history of Top Gear But this is a ridiculous request How can one write a quote Surely by definition a quote must be extracted from a greater body of writing for the purpose of illustrating or supporting a point in an unrelated work I cannot write a quote any more than I could film an out take Porter like Athens has lost his marbles James May **The Top Gear Years** Jeremy Clarkson,2013-05-23 We now know all about the world according to Clarkson In a series of bestselling books Jeremy has revealed it to be a puzzling frustrating place where all too often the lunatics seem to be running the asylum But in The Top Gear Years we get something rather different **Top Gear Series 17 - Episode 2** ,2015 Jeremy Clarkson Richard Hammond and James May are in Italy to take part in a series of tricky challenges and increasingly loud arguments as they attempt to find the world s best hot hatchback With Clarkson in the Citroen DS3 Racing Hammond championing the Fiat 500C Abarth and May making the case for the Renaultsport Clio Cup the trio attempt to navigate their way around baffling Italian towns and take part in a scavenger hunt before heading up to Monte Carlo where they re faced with a surprise test of their cars performance Also in this show James is out on the track in the new Aston Martin Virage the hardcore performance GT that slots between the DB9 and DBS whilst petrolhead comedian Ross Noble is the star in the Reasonably Priced Car
