To Kill A Mockingbird Chapter 2:

To Kill a Mockingbird (MAXNotes Literature Guides) Anita Price Davis, 2013-01-01 REA's MAXnotes for Harper Lee's *To Kill a Mockingbird* MAXnotes offer a fresh look at masterpieces of literature presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed and has study questions and answers.

English Language Arts, Grade 8 Module 2 PCG Education, 2015-10-29 Jossey Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts ELA curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception, Blended learning experiences for teachers and leaders that enrich and extend the learning, A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

The Society of Maycomb and its Influence on *Jem and Scout* in "*To Kill a Mockingbird*" by Harper Lee Kathrin

Hoffmann, 2014-03-13 Bachelor Thesis from the year 2011 in the subject American Studies Literature grade 1.7 University of Tübingen language English abstract In July 2010 the town of Monroeville Alabama threw a big birthday party for the book it is most known for The home town of author Harper Lee celebrated the 50th anniversary of the publication of her extremely successful novel *To Kill a Mockingbird* Having always been a magnet for Mockingbird fans the town organized walking tours and marathon readings of the novel in the courthouse CBS News In the US *To Kill a Mockingbird* is part of the curriculum of many school districts highlighting its never ending fame and its significance Harper Lee went on to win a Pulitzer Prize for the novel in 1961 At that time the novel was already a major success having sold 500 000 copies cf Sullivan In 1962 it was made into a movie starring Gregory Peck as Atticus Finch The movie received two Academy Awards for Best Actor and Best

Screenplay As of today the book has been translated into 40 languages has sold more than 30 million copies worldwide and is still selling about 750 000 copies every year of Sullivan Monroeville is not only the home of Harper Lee but it also serves as the model for the fictional town of Maycomb Alabama in which the novel is set As a matter of fact scenes of the movie were filmed in Monroeville Apart from the setting of the novel readers and critics were quick to detect other similarities between Harper Lee and the narrator the six year old girl Scout Finch whose real name is Jean Louise Just as Scout s father Atticus Finch Harper Lee s father Amasa was a lawyer When Harper Lee was growing up nine young African American men were innocently accused and found guilty of raping two white women in the Scottsboro Trials similar to Tom Robinson s fate in the novel To Kill a Mockingbird is an important novel for both young and old readers because of its appealing way to present the story The narrator is the six year old Scout Finch The readers see and experience the events of the story through her eyes and learn to appreciate Scout s way of telling things and her special view of Maycomb s society The reason for this is that Scout is an innocent little girl who does not yet fully understand the world she lives in Besides she is not yet socialized in the society she does not know about the conventions and norms with regard to race gender and hierarchy

Becoming Good Parents Mufid James

Hannush, 2012-02-01. Becoming Good Parents goes beyond a psychological understanding of parenting to include a deeper explication of the philosophical, moral, and existential/spiritual dimensions of parenting. It counters the contemporary notion that parents can be satisfied with simply being good enough in their parenting practices, which encourages a sense of complacency. Through everyday examples, illustrative use of Harper Lee's moral novel *To Kill a Mockingbird*, and a reinterpretation of the theoretical viewpoints of psychologists Erik Erikson, Heinz Kohut, and Rollo May, along with philosophers Iris Murdoch and Michael Gelven, the author argues that the struggle toward perfection/goodness is a natural human impulse. Parenting provides an optimal context for the practice of character refinement, which can potentially contribute to the psychological and spiritual growth of both parents and children. Ultimately, the book demonstrates that by becoming good parents, we become good persons.
