

To Kill a Mockingbird

Harper Lee

➦ **Publisher, year:** J. B. Lippincott & Co., July 11, 1960

➦ **Setting:** Maycomb, Alabama in early 1930

➦ **Plot:**

To Kill a Mockingbird takes place in the fictional town of Maycomb, Alabama. The protagonist is Scout Finch, a six-year-old girl who has a brother Jem Finch and they are raised by their father, Atticus Finch. He is a lawyer who had to defend town's black resident Tom Robinson in court, because he was falsely accused of raping Mayella Ewell (a white woman). Although Atticus shows some good evidence that Mayella was actually attacked by her father, Bob Ewell, Tom still gets convicted. Later Tom Robinson was killed while trying to escape from jail. Meanwhile the children are playing in their backyard and they notice a scary looking house across the street. They become interested in Arthur (Boo) Radley, a neighbour who lives in that house and is a local legend. They have their own theories about him and cannot resist to go explore and trespass on Boo's property. They don't find anything interesting, but they think that Boo Radley noticed them while he was looking out the window. Boo makes his presence felt indirectly through a series of acts, such as leaving presents for the kids. One day while Scout and Jem were walking home Bob Ewell tried to kill them to get revenge on Atticus, because Atticus embarrassed him in court and factually accused him of beating up his own daughter. Boo then intervenes and kills Ewell, but Heck Tate (Town's sheriff), believes it is better to say that Ewell's cause of death is that he fell on his own knife, helping the shy Boo to not get any unwanted attention. Scout agrees and says that to not help Boo is like to kill a mockingbird.

➦ **Main character:**

Jean Louise (Scout) Finch is the central protagonist of the story and the book is told from her point of view. She has a brother and a father but her mother died when she was two years old. Scout is six at the start and at the end of the book she is nine, although she is telling the story at the age thirteen. She is curious but also brave, for example her idea was to explore Boo Radley's house which is quite brave for a child of that age. She is also very intelligent because she knew that Tom Robinson was convicted only because of the colour of his skin.

➦ **Recommendation:**

I think that the book is excellent and very interesting. The book has won the Pulitzer prize in 1961. The novel also brought fame to the author. Some would say that To Kill a Mockingbird could be one of the best novels in the last century. I would certainly agree and it is one of the best books I have ever read. I would recommend it to everyone because as I already said it is very interesting for me and that's because it was a start for the civil right movement for black people. Although the novel talks about some very serious topics, it has some funny moments which are always nice. Also the plot is not complicated and the book is quite easy to read. Because it has a lot of pages you can read it for some time and you will not get bored.
