To Some It Is Given To Know:

Library of Health, 1900 The Essential Books of Mormons - Complete Collection William Alexander Linn, John Taylor, Joseph Fielding Smith, Wilford Woodruff, James E. Talmage, B. H. Roberts, Parley P. Pratt, George Q. Cannon, Joseph F. Smith, Eliza R. Snow, Brigham Young, Joseph Smith Jr., John A. Widtsoe, 2023-12-16 The Essential Books of Mormons Complete Collection brings together a diverse compendium of writings that shape and define the Mormon intellectual and spiritual tradition. With pieces ranging from theological expositions to biographical narratives, the collection captures the multiplicity of styles and themes that characterize Latter-day Saint literature and thought. Whether articulating foundational doctrines or exploring the personal facets of faith, each work offers a window into the dynamic evolution and rich tapestry of Mormon belief and practice. This anthology includes standout texts that have significantly impacted both the Mormon community and broader religious discourse. The contributing authors, such as Eliza R. Snow, Brigham Young, and James E. Talmage, were seminal figures in the establishment and proliferation of Mormon thought from the 19th to the 20th century. Their diverse backgrounds and varying roles within the Church of Jesus Christ of Latter-day Saints, along with their engagement in historical and cultural dialogues, collectively enrich the reader's understanding of Mormonism. Engaging with topics ranging from doctrinal development to socio-cultural issues, these authors illuminate the intersections of faith, history, and identity in a uniquely Mormon context. Readers of *The Essential Books of Mormons* are invited to embark on an intellectual journey that offers a panoramic view of Mormon thought. The anthology provides a rare opportunity to engage with a broad spectrum of themes, perspectives, and styles, making it an indispensable resource for both enthusiasts and scholars interested in religious studies. By exploring the collection, readers will gain educational insight and a deeper appreciation for the dialogue among these influential figures in Mormon history and doctrine.

The Essential LDS Collection William Alexander Linn, John Taylor, Joseph Fielding Smith, Wilford Woodruff, B. H. Roberts, Parley P. Pratt, C. V. Waite, Joseph F. Smith, Eliza R. Snow, Joseph Smith Jr., John A. Widtsoe, Brigham Young, James E. Talmage, 2023-11-15 The Essential LDS Collection provides a comprehensive exploration into the multifaceted world of Latter-day Saint thought and tradition. This anthology presents a tapestry of religious discourse, from theological expositions and historical analyses to personal reflections and religious poetry. It spans various literary styles, inviting readers to grapple with the profound implications of the Latter-day Saint faith. Each piece has been carefully curated to highlight pivotal doctrines and historical events, offering a transformative journey through the intricate landscape of Latter-day Saint beliefs and practices. Among the included works, certain accounts stand out for their depth and clarity, providing insight into the enduring spirit of the LDS community. The contributing authors are some of the most prominent figures in LDS history, including Wilford Woodruff, Eliza R. Snow, and Joseph Smith Jr., who collectively embody the rich historical and cultural legacy of their faith. One of the most important questions upon which man will ever be forced to wager is this given our uncertainty about the afterlife so what In this book Moore argues that our uncertainty about the afterlife should matter to us greatly if we are wise And in order to complete the failed task that Blaise Pascal initiated the provision of a sound and valid argument about how to wager on the afterlife under uncertainty Moore argues for and defends the following new argument In brief 1 Foolishness occurs under the following conditions a when one is aware of a severe threat to his or her most relevant interest b when one knows how to minimize the risks to such an interest against such a threat and c when in the face of such a threat awareness one flouts his or her risk minimization know how opting to hope solely in luck s favor 2 The possibility of a just and severely retributive afterlife counts as a real and severe threat to our most relevant interests and it is the only sort of afterlife possibility that does so 3 Despite our uncertainty about the afterlife we know how to minimize our risks against such a threat 4 Therefore given both that we are aware of such a severe threat to our most relevant interest and that we know how to minimize our risks to such whenever we choose not to live in accordance with such know how we are acting foolishly After carefully building his case for this conclusion Moore lays out its implications responds to many foreseeable objections and in the final chapter closes with a fitting and uncommon defense of Christianity as a beautiful and wise hope

Metaethics occupies a central place in analytical philosophy and the last forty years has seen an upsurge of interest in questions about the nature and practice of morality This collection presents original and ground breaking research on metaethical issues from some of the very best of a new generation of philosophers working in this field [An Analysis of Knowing](#) John Hartland-Swann, 2015-07-24

First published in 1958 this book focuses on the meaning interpretation and use of the verb to know In our daily lives we are often claiming to know this or not to know that and it is not therefore surprising that the verb has played a major role in philosophical

speculation from Plato down to Bertrand Russell This book analyses the varying meanings of know in its different operational roles knowing Jones seems to have a different sort of logic from knowing French or from knowing what to do and equally from knowing that the earth is round and from knowing how to read music Knowing something is also different from merely believing it The main purpose of this book is to elucidate in a new and original way this whole question of the logical behaviour of know but its further and no less important purpose is to show how once we have grasped the way in which certain key know statements function a number of philosophical disputes may be discussed more fruitfully and settled more expeditiously Some of the analyses offered will be regarded as controversial and will undoubtedly provoke discussion The style is lucid and economical and technical terms are reduced to a minimum This work is intended not only for the professional philosopher and the university student but also for the general reader who is interested in the methods of modern philosophical analysis
