BEST GUIDE TIPS TRICKS WALKTHROUGH AND STRATEGY. Shadow of the Tomb Raider is an action adventure game played from a third person perspective. Players take on the role of Lara Croft as she explores environments across the continents of Central and South America. In addition to standalone areas, the game has a large hub in the Hidden City of Paititi. A new barter system allows players to trade and sell various resources gathered from the areas surrounding Paititi. Shadow of the Tomb Raider has plenty to do besides following its story, tracking down treasure from clues written on monoliths, discovering extraordinary hidden tombs with by far the best puzzles in the game, hunting jungle creatures, solving local mysteries in populated areas. These endeavours are great fun, especially the hidden tombs.

This is a comprehensive guide that will walk you through all the most critical pieces of the game. In this book, I'll be sharing tips and tricks that I wished I knew earlier so you can benefit from them during your play.
