He willingly drags her away from the party and soon the two are locked in a sexy explosive tryst. On impulse, Tyler convinces her to accompany him to NASCAR in Las Vegas. Without a second thought, she hops in his Bugatti and finds herself on her way to the big race with him. Kayla Reid has always been into fashion and everything to do with it. Growing up wasn't easy for her. A bigger girl trying to squeeze into the fashion world is like trying to suck an entire gelatin mold through a straw, possible but difficult. She found herself an open door as a designer and jumped right in. Her designs always made the models smile. The colors, the fabrics, the styles. Never once did she dream of being on the other side of the lens. She got to watch her clothing strut around on others, and that was good enough. But who says you can't have a little fun when you're off the clock? Sometimes trying on the latest fashions is just as good as making them. Kayla's hours in
