1 Lyric Poetry and the New Criticism

The question "What is lyric poetry?" has never been adequately answered. Few studies focus on this question exclusively, and the question is rarely confronted fully. The scholarly lore that surrounds the lyric has been determined more by practical occasion than by theoretical attention. Comment on the lyric has been mainly descriptive, with few explanatory principles offered to motivate these descriptions. In his inaugural address to the Toronto symposium on the lyric in 1982, Northrop Frye proclaimed, "It is high time for critical theory to come to firmer grips with the lyrical element in literature" (Hosek and Parker, eds. 37). Indeed it is "high time."[<1>](#)

Theoretical concern for the lyric is strongly associated with the New Criticism, but the New Criticism never substantially advanced our theoretical understanding of the lyric. For the most part, the poet-critics who were leaders of the New Criticism (Eliot, Ransom, Brooks, Richards, Empson, etc.) left us no detailed studies of the basic elements of lyric expression (visual form, sound, intonation, syntax, rhetorical tropes and schemes, versification, rhythm, etc.), much less of their complex interrelations. A Persevering Witness Elizabeth Davey, 2016-05-16 Margaret Avison one of Canada's premier poets is a highly sophisticated and self-conscious writer both charming and intimidating at the same time She calls to mind her more famous predecessors the religious poets George Herbert Gerard Manley Hopkins and T S Eliot as she vigorously engages both heart and intellect She has forged a way to write against the grain some of the most humane sweet and profound poetry of our time write the judges of the 2003 Griffin Poetry Prize Becoming a Christian in her mid forties her life and her vocation were transformed and her lyrics record that shift In *Muse of Danger* she writes to Christian college students But in His strange and marvelous mercy God nonetheless lets the believer take a necessary place as a living witness in behavior with family and classmate and stranger in conversation or in a poem How she blends her twin passions of poetry and Christian faith becomes a story of a kind of perseverance Readers who respond with understanding and empathy recognize both the

distinctive mystery of poetic witness and the mystery inherent in Christ's saving work to which it points. Her enduring witness becomes an implicit call for us to persevere in what Avison identifies as the mix of resurrection life and marred everyday living.
