Communications Regulation, 2004 *American Mother* Colum McCann, Diane Foley, 2024-03-05 One of the best books I've read in many many years if not in my life Anderson Cooper Featured on MSNBC's Morning Joe What does a mother say to the person responsible for kidnapping torturing and murdering her son National Book Award winning author Colum McCann channels Diane Foley's voice as she tells her story as the mother of American journalist Jim Foley in search of answers beyond justice found through dogged empathetic spiritual enquiry In late 2021 Diane Foley sat at a table across from her son's killer Alexandra Kotey a member of the ISIS group known as The Beatles who plead guilty to the kidnapping torture and murder of her son seven years before Kotey was about to go serve life imprisonment and this was Diane's chance to talk to the man who had been involved with brutally taking her son's last breath What would she say to his killer What would he reveal to her Might she even be able to summon forgiveness for him So begins American Mother which reads alternately like a thriller a biography a mystery a memoir and a literary examination of grace Diane looks back on the early days when Jim was a child and his journey to journalism and the killing fields of the world where he reports with

indefatigable determination and insight on the plight of those caught up in the agonies of war She guides us through her family history and the difficulties they faced when Jim was captured And she also charts the tenacity it takes to turn her grief into grace as she seeks to give voice to those who are still being kidnapped and wrongfully detained around the world Few journeys are more worthy than this and in this astonishing book we are all invited to celebrate the lives of those who are never in the end gone County of Merced Alcohol and Drug Programs, Substance Abuse and Crime Prevention Act of 2000
