Allergologie : le Middleton Stephen T. Holgate, Robyn E. O'Hehir, Aziz Sheikh, JOHN SCOTT & CO, 2018-06-12 Le Middleton ouvrage phare de la littérature médicale internationale constitue la référence en allergologie et fait incontestablement autorité Rédigé par les plus grands noms de la spécialité il est désormais considéré comme indispensable pour tout médecin confronté des problèmes d'allergie Il propose une information clinique directement applicable au quotidien Le contenu très complet est pratique d'un accès facile et rapide Synthèse des points clés connaître en début de chapitre nombreux tableaux de synthèse encadrés d'alerte texte structuré etc Des schémas explicatifs illustrent clairement les mécanismes en jeu L'accent est mis sur le diagnostic et la prise en charge des patients Les thèmes abordés sont les généralités indispensables connaître les mécanismes physiologie allergiques diagnostic et diagnostics différentiels traitements et les grands domaines asthme médicaments dermatologie alimentation insectes etc Guy Dutau a enrichi sa traduction de commentaires qui clarifient et adaptent le texte la pratique française *Revue Française d'Allergologie* *Language Management and Its Impact* Linda Mingfang Li, 2018-10-17 This book provides a comprehensive account of language management and planning at Confucius Institutes in the UK implementing an ethnographic approach grounded in language management theory As a global language promotion organization Confucius Institutes have previously been discussed in the literature with respect to socio-political issues but this volume will shed particular light on their role in shaping and informing Chinese language policy at both the institutional and individual classroom level The book focuses specifically on Confucius Institutes in the UK demonstrating how language teaching practice in these organizations is informed and shaped not only by organizational paradigms but local language needs and institutional attitudes of host institutions In turn Li highlights these organizations unique position in a multilingual region such as the UK can offer new insights into language management by illustrating their roles as platforms for both individuals and institutions to become involved in the making and implementation of language policy This volume

will be of particular interest to students and researchers in language policy and planning language education applied linguistics and Chinese linguistics *Narrativity in Biblical and Related Texts* George J. Brooke, Jean-Daniel Kaestli, 2000 Seventeen innovative studies are collected in this volume which has been produced under the aegis of the Centre for Biblical Studies University of Manchester and L Institut des sciences bibliques Universite de Lausanne The majority of the studies engage with narrative through providing insightful working examples Building on the many contributions of recent narratological research for the most part the studies in this collection avoid the technical language of narratology as they present fresh insights at many levels Some essays focus more on the implied author some on the implied reader or hearer and some on the way particular messages are constructed some of the studies consider how author message and reader are all interconnected There are several creative proposals for refining genre definition from law and wisdom to gospel and apocryphal writings Some studies highlight the way in which narratives can contain ethical religious and cultural messages Sensitivity to narrative is also shown by some contributors to expose in intriguing ways the redactional processes behind the final form of texts Students of narrative in the ancient world will find much to consider in this book and others engaged with literary studies more generally will discover that scholars of the worlds of the Bible and Late Antiquity have much to offer them
