

PRAYER FOR PRAYER MEETINGS

Dear Lord

We have gathered here today under your feet to pray. We want you to come and be in the midst of us.

Help us know what to pray for. Let not our minds wonder about the things of the earth as we pray. Let us focus on the spiritual gifts of heaven.

Come and grant us our hearts desires today. If someone came here with a problem we pray that they will not leave here with the same problem. Let our requests be heard and answered by you through Jesus Christ, our Lord,

Amen

has an opinion about what prayer is and how it ought to work But for many prayer produces far less than the saints say it
should While some surveys suggest that up to 90 percent of us believe in prayer enough to do it daily that lofty statistic is
tempered by the sobering claim that average believers only pray for eight to twelve minutes a week If that s not a red
warning flag that prayer has a serious public relations problem what is *Praying When Prayer Doesn t Work* is a thoughtful
often witty account of the author s journey to find prayer s elusive promise for himself A pastor for thirty years Jack uses
humor plenty of secondary resources scripture real life stories and his own unique insights to illustrate how both routine and
exceptional circumstances may be used to trigger meaningful ongoing and productive prayer While challenging harmful
assumptions dogma with unconventional observations Getz also looks at prayer s four public relations problems identifies the
perfect environment for prayer and examines the three critical attitudes necessary to pray with great effect Also the wisdom
and helpful suggestions found in the useful study guide can teach sincere seeker s of the truth how to get personal with God
and make praying a choice not a chore *The Presbyterian* ,1909 **The Road to Lane Deer** Jerry Mader,2002-01-01 As
he learned about the people and began to take photographs of Cheyenne elders images of the reservation and its people
became seared in his memory and are movingly recalled throughout this work the hot dry dust of an afternoon whirlwind a
quest for a stone woman the haunting melody of a Cheyenne flute and the desolation and desperation of the bars scattered
