The Duggars: 20 and Counting! Jim Bob Duggar, Michelle Duggar, 2009-11-24 This practical positive book reveals the many parenting strategies that Jim Bob and Michelle Duggar use as they preside over America's best known mega family. Each time a new baby arrives the press from around the world clamors for interviews and information. Visitors are amazed to find seventeen baby number eighteen is due January 1, 2009. Well groomed, well behaved, well schooled children in a home that focuses on family financial responsibility, fun, and most importantly, faith. Readers will learn about the Duggars marriage, how they communicate effectively, make family decisions, and find quality time alone. They'll discover how the Duggars manage to educate all their children at home while providing experiences that go beyond the family walls through vacations and educational trips. And they'll see how the Duggar family manages their finances and lives debt free even when they built their own 7,000 square foot house. Answering the oft asked question, "How can I do with one or two children what you do with seventeen soon to be eighteen?" Jim Bob and Michelle reveal how they create a warm and welcoming home filled with what Michelle calls serene chaos. They show how other parents can succeed whether they're rearing a single child or several. With spiritual insights, experience based wisdom, practical tips, and plenty of humorous and tender anecdotes, the Duggars answer the questions that pour into the family's Web site on a daily basis, especially after every national media interview and TV appearance, including their segments on the Discovery Health Channel's Meet the Duggars series. [Urban Cowgirl](#) Sarah Penrod, 2017-05-01 Celebrating the modern Southern culture, country chic lifestyle, and spitfire attitude of the city cowgirl, the cowgirl in heels. Part cookbook, part how to, and inspirational guide for the modern city girl with Southern roots and a cowgirl attitude. Urban Cowgirl features Sarah Penrod's unique outlook and point of view as shared with viewers on the Next Food Network Star. Her approach is to take classic Southern and Texas foods and ingredients and traditions like the tailgate and give them a new twist with her personal brand of sparkle and shine. Her recipes for family dinners and girls nights in all come with her own special touch and her outsized personality. Urban cowgirls appreciate Southern big city lifestyle but don't let the high heels and designer dresses fool you. These girls will celebrate their heritage, acknowledge their cultural roots, and build from traditional values with a smile on their face and a glass of sweet tea in their hand. They may have a designer coffee table littered with gourmet cooking magazines, but the recipes they hold most dear are third generation handwritten kitchen love letters from a grandmother they may have never even met. **Mix-and-Match Mama Simmers** Shay Shull, 2017-10-01 Just Prep, Simmer, and Serve.
