Verizon Blackberry Curve Manual:

Grey Sky Tammy Snow,2011-03 How far would you go to protect the ones you love Sky Griffin s mother is missing Vanished in what seems like a second Could she have just wandered off Or is her disappearance more than meets the eye Sky is convinced that whatever happened was not an accident and in fact may hold more secrets than anyone expects Thus begins her frantic search for answers for the truth behind her mother s whereabouts But the chase to find her turns out to be complex in ways Sky could never have imagined even in her former days in the police force Extreme measures are taken to find her mother as Sky goes undercover disguising her identity in order to find out what might have happened In the process she s forced to leave behind the love of her life and her young son a feat difficult enough in itself Sky s torrid investigation becomes a mess of emotions as she struggles to cope with her distance from her family and the fact that she may never see her mother again Her expedition is complicated further by her encounter with a beautiful woman named Meg Will Sky leave her old life behind and remain here with Meg forever searching for her mother Or will she solve the mystery and return to her loved ones Author Tammy Snow takes us on a thrilling journey full of twist and turns passion and deceit and everything in between through the stunning conclusion Tammy Snow has been an avid reader since winning her first bookworm contest in the first grade Grey Sky is her first novel Although Tammy never imagined herself as a writer she has a passion for words and found that writing provides a wonderful outlet for an often vivid imagination Growing up in conservative and beautiful Provo Utah she was an athlete and excelled in volleyball basketball softball and track field In 1996 she moved from Provo to Edmonds Washington a suburb of Seattle where she worked at a software company until 2008 leaving to start her own user experience organization Tammy lives with her partner Dayna her son Tre and their two cats Theo and Jaz *Good Housekeeping Magazine* ,2008
