Nijhuis, 2023-09-04 The current fossil fuel based system of

mobility is associated with a wide range of environmental and social problems There is a growing body of literature on system innovations and transitions which has as a common understanding that long term transformative change is necessary to deal with these complex problems However knowledge on the crucial role of citizen consumers in sustainable mobility transitions is still underdeveloped By incorporating the viewpoint of consumption patterns and everyday life routines this book provides new knowledge on the role of citizen consumers in sustainable mobility transitions Theoretically a practice based approach is developed as a novel framework to analyse understand and influence transition processes to sustainable mobility at the level of everyday life The focus in each of the three cases studies is on situated interactions between

consumers and producers Amongst these is an analysis of the role environmental information and subsidies in new car purchasing Also various examples in which an attempt was made to orchestrate a modal shift in commuting practices are examined Each of the empirical case studies shows the important role of contextual factors in understanding and influencing mobility behaviour of citizen consumers In addition this book helps to understand how and why innovation in mobility practices takes place or not *Focus On: 100 Most Popular Compact Cars* Wikipedia contributors, **Cluster policies in Europe** Susana Borrás,Dimitrios Tsagdis,2008 This book provides a systematic comprehensive and independent comparative study of cluster policies in Europe It focuses upon one very important relationship that has so far been neglected in the literature namely the extent to which the complex dynamics of multi level governance MLG are responding to the problems and challenges faced by clusters in particular the extent to which MLG learns and supports cluster learning *Ephemeral Media* Paul Grainge,2017-10-20 *Ephemeral Media* explores the practices strategies and textual forms helping producers negotiate a fast paced mediascape Examining dynamics of brevity and evanescence in the television and new media environment this book provides a new perspective on the transitory and transitional nature of screen culture in the early twenty first century **A Comparative Analysis of Taxes and CO2 Emissions from Passenger Cars in the Nordic Countries** Henrik Duer,Camilla Rosenhagen,Nordic Council of Ministers,2011 The report discusses how economic instruments can be used to reduce CO2 emissions from passenger cars in the Nordic countries The analysis indicate that the registration tax and the annual circulation tax can contribute to a reduction in the average CO2 emission from new cars company car schemes in the Nordic countries provide incentives for larger cars and increased driving because of subsidies and this has long term effect as a large share of new cars are registered as company cars but are used as private cars most of their lives CO2 differentiated taxes can provide incentives to consumers to purchase CO2 efficient cars targeted broader packages which besides providing tax incentives also offer advantages to more environmentally friendly cars can be more effective than general tax increases transparency of targets and instruments is crucial for a large diffusion of CO2 efficient cars **The Handbook of Technology Management, Supply Chain Management, Marketing and Advertising, and Global Management** Hossein Bidgoli,2010 The discipline of technology management focuses on the scientific engineering and management issues related to the commercial introduction of new technologies Although more than thirty U S universities offer PhD programs in the subject there has never been a single comprehensive resource dedicated to technology management The Handbook of Technology Management fills that gap with coverage of all the core topics and applications in the field Edited by the renowned Doctor Hossein Bidgoli the three volumes here include all the basics for students educators and practitioners Stowagefactor and Dangerous Goods Segregation Klaus Engeler,2025-03-24 This Book contains stowagefactors from the following Categories a General Cargoes b Cooling Cargoes c Bulk Cargoes d Ore e Sweet Oils f RoRo g Containersizes h IMDG Code Segregation i German English Dictionary with final Categories **The Radical Innovation**
