Thompson, 2015-05-15 In this groundbreaking book Bill Bolton and John Thompson present a completely new take on the
conventional domains of entrepreneur leader and manager They argue that in today's turbulent and uncertain world
businesses no longer have the time for a business cycle that begins with an entrepreneur hands over to a manager and finally
brings in a strategic leader when things are flagging The New Normal that now prevails requires that these things run
together and calls for a new kind of all rounder Bolton and Thompson give us a new word to describe such a person The
ENTIREPRENEUR The entirely competent person able to discern aright and make things happen Drawing upon the
successful person centred approach of their books on entrepreneurs they first tell the stories of over 40 entrepreneurs
demonstrating clearly that such people do exist After discussing the New Normal context they present a fascinating analysis
that goes below the surface to describe the key Talent Temperament Technique and Discernment attributes that explain the
entrepreneur Readers have the opportunity to make a self evaluation of their own attribute strengths concluding with a final
entrepreneur score This fascinating and insightful look at the entrepreneur is a clear pointer to what will be demanded of
those who wish to succeed amid the vicissitudes of the New Normal
