GED Test Changes and Attainment Kara Larson,Cristina Gaeta,Lou Sager,2016 In January 2014 the GED Testing Service significantly redesigned the GED test to incorporate the Common Core State Standards and the College and Career Readiness Standards for Adult Education The purpose of this study was to examine the significant changes made to the test in 2014 examine the impact of the changes on Washingtonians and make recommendations to achieve the state s two educational attainment goals The report presents available summary data from the GED Testing Service s annual statistical reports years 2008 2013 At the time of the study the GED Testing Service had not published state or national data for years 2014 and 2015 therefore the study analyzed 2014 and 2015 state summary data from Washington s State Board of Community and Technical Colleges and preliminary 2014 national summary data published by the National Council of State

Directors of Adult Education Results show that coinciding with the changes to the GED test the number of test takers completers and passers plummeted Test participation decreased by 62.8 percent in 2013 over 22 000 Washingtonians took the test compared to fewer than 9 000 in 2014 The test completion rate decreased by 33.7 percent in 2013 over 18 000 test candidates completed all four subject areas of the test compared to just over 4 000 in 2014 In 2013 over 15 000 completers passed the test compared to just over 3 000 in 2014 From 2008 to 2013 more than 4 percent of Washington adults without a high school credential took the test compared to 1.5 percent in 2014 which has consequences for the Washington s educational attainment goals Possible reasons for the decline in numbers are explored Further research is recommended The following are appended 1 Comparison of 2002 GED test series to 2014 GED test series 2 Alternative pathways to high school completion and 3 Data Tables Contains endnotes *The Wiley Handbook of Adult Literacy* Dolores Perin, 2019-10-15

Examines the widespread phenomenon of poor literacy skills in adults across the globe This handbook presents a wide range of research on adults who have low literacy skills It looks at the cognitive affective and motivational factors underlying adult literacy adult literacy in different countries and the educational approaches being taken to help improve adults literacy skills It includes not only adults enrolled in adult literacy programs but postsecondary students with low literacy skills some of whom have reading disabilities The first section of *The Wiley Handbook of Adult Literacy* covers issues such as phonological abilities in adults who have not yet learned to read gender differences in the reading motivation of adults with low literacy skills literacy skills academic self efficacy and participation in prison education and more Chapters on adult literacy social change and sociocultural factors in South Asia and in Ghana literacy numeracy and self rated health among U S adults adult literacy programs in Southeastern Europe and Turkey and a review of family and workplace literacy programs are among the topics featured in the second section The last part examines how to teach reading and writing to adults with low skills adults transition from secondary to postsecondary education implications for policy research and practice in the adult education field educational technologies that support reading comprehension and more Looks at the cognitive processing challenges associated with low literacy in adults Features contributions from a global team of experts in the field Offers writing strategy instruction for low skilled postsecondary students *The Wiley Handbook of Adult Literacy* is an excellent book for academic researchers teacher educators professional developers program designers and graduate students It s also beneficial to curriculum developers adult basic education and developmental education instructors and program administrators as well as clinicians and counselors who provide services to adults with reading disabilities **Confronting Oppressive**

Assessments Walter S. Polka, John William McKenna, 2016-09-14 This book is about doing what s right for public education in the United States in this age of intensive curriculum convergence planned instructional standardization and oppressive accountability procedures Information is presented about why and how educators parents students community members and policy makers have decided to protest against current state and federal educational policies and procedures The practical

experiences of parents teachers principals school superintendents school board members and professors are analyzed in chapters of this book Their first hand experiences with the various components of the current reform movement are poignantly presented Through their voices the frustrations with the serious flaws associated with this reform agenda are passionately and logically articulated They comprehensively explain their personal and professional motivations for organizing and fomenting a rethinking in school reform implementation procedures and they advocate their smarter approach to school reforms in our country The book includes key references that elucidate the need to seriously re think the directions and strategies of contemporary schooling in order to maintain enlightened creative instruction based on exciting student centered curriculum experiences and professional educational judgments

Gerontology Madonna Harrington Meyer,Elizabeth A. Daniele,2016-04-11 Written by established and emerging leaders in a broad array of disciplines this two volume set provides undergraduate and graduate students scholars professionals and policymakers with an overview of the field of aging that examines the social landscape as well as key changes challenges and solutions The people who make up the rapidly growing population of Americans over age 65 are changing and as a result our nation will change This shift presents new issues controversies and challenges that affect health wellness welfare retirement politics and economics This two volume work examines where we are and where we are headed paying careful attention to the differential impacts of gender race class marital status and other social variables It considers key changes in demographics old age policies families work and death and dying Volume one covers an array of demographic issues policies and politics highlighting how factors such as gender and race shape families income retirement immigrants and veterans across the life course The second volume covers education religion volunteering exercise nutrition and health care policies across the life course Topics addressed include the old age welfare state the extension of retirement age home care care work nursing home care end of life planning and euthanasia
