ground for potentially debilitating illnesses to develop in the future Reaching deep into the vaccine cartel Moritz uncovers hard facts to prove that profit not public health is the sole motive behind the vaccine pushers chicanery In this book he also digs up the real reasons behind the 2009 swine flu outbreak or the pandemic that didn't pan out In Vaccine nation Moritz minces no words while unraveling these and other skeletons in Big Pharma's closet and cautions you not to buy into the hollow claims of vaccine makers In his characteristic style Moritz offers a gentle and practical approach to a disease free life which rests on the fulcrum of the mind body connection cleansing of the body and naturally healthy living Natural Healing Peter Jackson-Main,2025-09-30 An empowering handbook exploring ways to take command of our own health through natural methods Written by an esteemed health practitioner with decades of experience this book explores a practice of natural healing also known as naturopathy or Nature Cure that is based upon the idea that nature is the only and the ultimate source of all healing and that healing itself depends upon promoting unblocking and harmonising the body's own natural vital energy In an easy and accessible prose Natural Healing presents a framework for a healthier and happier life that can easily be adapted into the busy lives of the twentieth century The book initially presents a brief history of natural healing along with an outline of the author's own experience with natural medicine Following on from this in concise and easy to follow steps Natural Healing discusses the detoxification of different parts of the body such as the bowel kidney liver and lymphatic systems It also explores digestion discussing the influence of nutrition and diet on the body and offering varied and balanced examples Also discussed are heavy metal detoxes electromagnetism plant medicine movement sleep bodywork hydrotherapy integrated medicine and more Natural Healing is the ideal guide for anyone wishing to understand the complexities of health and healing in more details as well as an invaluable tool that will enable all health practitioners to deep their knowledge of different modalities of healing *Know the Truth and Get Healthy* Hilde Larsen,2016-06-29 Step Out of the Illusion of Disease Say No to Sickness and Pain Reclaim Your Health You are Worth It Are you sick overweight tired or simply not feeling your best Are you looking for a way to improve your health and your life In Know the Truth and Get Healthy author Hilde Larsen offers a unique compilation of information to help you change your current situation Larsen offers a step by step plan to better health and increased happiness Based on her personal journey from chronic illness to the world of wellness she examines an array of topics that include a discussion of why humans are sick and she shows how real health is very simple From detoxification to raw living food to liver flushing fasting and more Know the Truth and Get Healthy delves into the details of healing and vitality With recipes and other tools included this guide offers a path to true healing and to a better way of living Larsen tells how important it is to decide to change make a plan and stick to it She advocates making a commitment to yourself You are worth it **You Can Say No to Chemo** Laura Bond,2015-01-01 Remember It's Your Body and You Do Have Choices Beginning in 2011 journalist and health coach Laura Bond and her mother Gemma visited 60 of the world's foremost cancer specialists and healers who are getting remarkable results in
