Trumpet Notes for the Temperance Battle-field John Newton Stearns,Hubert Platt Main,1888 **Bad Girls and Boys Go to Hell (or not)** Gloria Neufeld Redekop,2012-07-26 To question the idea of hell as a default destination is to question the entire fundamentalist evangelical worldview This book does just that Fundamentalist evangelicalism holds that the Bible is an infallible authority and that all are born in sin Sinners go to hell but Jesus taking their place died to save them from hell How did this belief come to be What were the effects on people brought up with a belief in the reality of hell What has been the process of people leaving the fundamentalist evangelical movement In **Bad Girls and Boys Go To Hell or not** Gloria Neufeld Redekop takes us on her own personal journey as she engages a movement in which she was raised conducting a careful study of the history of fundamentalist evangelicalism the attachment to a literal factual interpretation of the Bible and an

analysis of the experience of those who have left the movement *Apocalypse* Robert H. Smith,2000 For those searching for a way to demystify the often puzzling book of Revelation or for those seeking a splendid pathway into the Apocalypse this commentary is an extraordinary aid to grasping the central visions and to being grasped by them Albrecht Durer s woodcuts are incorporated together with an introduction that describes both the Seer of Patmos and the artist of Nuremberg and gives a very brief overview of various ways of reading these texts fundamentalist mainline liberation It is followed by a commentary on the book of Revelation accompanied by and keyed to the woodcuts *All the Way from Kingdom Come* Philip W. McCarty,2006-07 The Future is a perennial topic of interest especially as it relates to the possible demise of humanity and this world we live in Join us as we peer into what the Bible says about a time of unprecedented natural disasters and plagues of disease Examine the instant disappearance of millions of people and discover the final destination of humanity In this book there are no wild notions or government conspiracy theories just a basic honest look at the future as it is spelled out in the Bible Along the way we will find that knowledge of the future creates a responsibility in the present I have traditionally shied away from the subject of eschatology because it generally degenerates into endless arguments about things that can never be fully known Phil s work affords a different and refreshing perspective He offers a reasonable interpretation of end time material with a unique orientation toward present day application I believe you will find his work equally readable helpful and inspiring Pieter K Van Waarde Pastor Woodcrest Chapel Philip McCarty does a great job of taking a Book that has been deemed controversial and not comprehensible by the masses and made it very understandable and practical for day to day living I highly recommend this book Dr Randy Dignan Pastor Bible Baptist Church *Scripture On Scripture: The Book of Revelation* Jonathan Witt,2016-03-03 Scripture On Scripture The Book of Revelation is a Bible commentary written to explain this book of the Bible verse by verse while also demonstrating how this book fits with the rest of Scripture The Book of Revelation is one of the most unique and interesting books in all of the Bible There is much debate between Christians about whose interpretation of Revelation is correct This commentary is written from the perspective that the book of Revelation describes those things that are yet to come in the future and most likely the near future This commentary is written with several key beliefs in mind namely that Jesus Christ promised to literally return to rule over the Earth that His return will be preceded by a seven year Tribulation Period of judgment from God upon the Earth and that this Tribulation Period will be initiated by a supernatural Rapture of His Church from the Earth *My First Gospel Guitar Picking Songs* Steve Kaufman,2012-09-27 My First Gospel Guitar Picking Songs is an ideal book for beginners interested in learning country style guitar and basic reading skills Author Steve Kaufman uses his award winning method to teach principles of flatpicking basic chord fingerings and notation within the context of classic country songs This book emphasizes the versatility of the gospel guitarist as a lead instrumentalist and rhythm accompanist from lyrical melodies to swinging strumming techniques The book comes with accompanying audio **The Evangelical Parallel New Testament** John R. Kohlenberger (III),2003 The

Evangelical Parallel New Testament features the New Testaments of eight translations that are used by various segments within the American evangelical community today It includes the recently published English Standard Version Holman Christian Standard Version The Message the New Living Translation and Today s New International Version The EPNT shows the translation philosophies and word choices made by diverse groups of evangelical scholars in the last three decades of the Twentieth Century *Chronicles of the End Times* Mark Davidson,2018-10-05 Mark Davidson author of Daniel Revisited has created a unique interpretation of end time Bible prophecy using the ancient concentric reading method known as chiastics Lost centuries ago it was rediscovered by seminary scholars in the eighteenth century This reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text When combined with the words meanings we receive a greater understanding of prophetic scripture In Daniel Revisited Davidson showed us the four signposts four events prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation Now in *Chronicles of the End Times* chiastic reading has been applied to all of Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth A chiastic reading of Daniel Zechariah 1 6 Matthew 23 25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts What s the purpose of Daniel s Aramaic chapters and how do they affect the end times Which parts of Daniel 11 are to be fulfilled in ancient times versus end times What is the real identity of Mystery Babylon and how does this help us in the end times How do the two scrolls of Revelation give greater understanding of the trumpets and bowls What are the Seven Events of the end times and which one is next This all may seem incredible for one book but is nevertheless true The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end time prophecy *Turit's Rise* J.M. MacLeod,2024-10-29 As the world s end draws near the stakes have never been higher Resounding across the land the trumpet calls signal the beginning of the long awaited Tremendum Ecclessites and Carnalians alike hone their skills to prepare for the final battle But as Ecclessites gather their vastly outnumbered forces against the warriors of the empire many will find that the courage and hope they once had is fading As the skies darken Bonu gathers Ecclessite forces in preparation for the final battle Artka finds himself surrounded by daggers and Saygus works on a secret objective Meanwhile Hod ya plans a coronation sinister enough to plunge the planet into eternal darkness Will kingsmen who hide in Cosmopolis midst be able to evade discovery by Carnalian forces Will Ecclessite forces turn their backs on King Elyon and Prince Logon Xychirion and succumb to temptation Or will some find faith even in the midst of darkness Witness as the world groans under the weight of Turit s rise to power *Our marvellous times: being a 7th ser. of sermons* Thomas De Witt Talmage,1884 [The Sunday School Helper](#) ,1896 **The "SUPERWHELMING", "GLORIOUSTOUNDING", "MEGAMIRACULOUS" Return of the King of Kings and Pretentious Interloper** Cedric

Fisher,2024-06-19 Complaints are replete on social media and everywhere people gather to sip coffee and opine about the world's ills. Something is wrong with American society. A few years ago people were saying I don't know how it can get worse. It is worse and going to get worse. The reality and angst of watching it disintegrate have pressed many people into apathy. They have latched onto the belief that God will not permit them to suffer the consequences of the world's wicked rebellion. Instead, Christ will snatch them off the earth and out of danger during a split-second secret coming. There is an alternative to apathy and fantastical notions. It is the central focus of biblical eschatology: the superwhelming, glorious, astounding, megamiraculous return of the King of kings.

Understanding Revelation Wesley Cole,2015-02-27 This is a book about life and death, conflict and war, courage and faith, heaven and hell. God's purpose in having the book of Revelation written was because God wanted the servants of Jesus Christ to understand what is going to take place. He tells us when these things begin, they will take place quickly. God so desires us to have this information that He promises to bless all those who will read and heed the book of Revelation. This book foretells of an apostasy and how the restrainer of lawlessness is removed. How the city of Babylon rises to prominence. What transpires to bring about the demise of Hamas, Hezbollah, the Palestinian resistance, and Israel's takeover of Jordan. It tells about a prosperous Israel at peace until invaded by a coalition of countries. It reveals how the antichrist comes to power and how he influences the world. It tells us about two of God's witnesses who are killed and then come back to life. It tells us how God will rescue the Jews from Satan's plan to annihilate them. It tells us what will happen before and after the rapture. This book has over 60 events in chronological order that must take place before Jesus institutes a new government and begins His reign as King of kings for a thousand years. This is a book about Jesus Christ. In it, He tells us what He likes and dislikes about the churches. He tells us about rewards He has for us and what must be overcome to insure we have eternal life. But most of the book deals with coming events that must take place before He returns.
