

Kensington Valley Hockey Association
Pee Wee AA Hockey Club

THANK YOU for trying out for the Kensington Valley Pee Wee AA 2007-2008 Fall Travel Hockey Team!

Unfortunately, we are faced with the tough decision of picking only a handful of players. The coaching staff has made every effort to make the tryouts a fair and enjoyable experience for every child and parent. We understand that not making a team is a disappointing time in our lives. It is also a time to hold your head high and to be proud of your accomplishments. Every child worked very hard and displayed great admiration for this outstanding sport!

Though you have not been selected for this Fall team, we encourage you to try again in the Spring. We want to remain friends and would like to see how your upcoming season progresses. If you see one of the coaches, other players or parents, let them know how you are doing. We honestly do care for all of these fine kids!

Please continue to practice and play to the best of your abilities. Work on the things that will make you a better hockey player. The coaches had some difficult decisions this tryout and it is your job to put them to the test in the Spring!

We appreciate all of the parents who have helped us out and have become our friends, thank you very much!

Best of Luck,

Tom Miller
Head Coach

Dresback,2012-06 Is baseball unavoidably a game of failures The author calls upon a lifetime of experience to answer that question in three parts One Failures by hitters on an average team exceed four thousand per season That number can be reduced by at least 50 percent drastically reducing the frequency of batting slumps Two Failures by starting pitchers can be eliminated Three The two biggest on field problems for managers today are when to pull the starting pitcher and finding a way to get the players to play the game the proper way and those problems can also be eliminated If you think these claims are not realistic be prepared to change your mind As much as Verle D Dresback loved baseball through his high school years it did not love him However he was good enough in other sports to receive scholarship offers to play basketball and football at Montana State the Butte School of Mines and Carol College in Billings Montana These three scholarship letters only offered books and tuition However he received a fourth letter from the draft board He chose the Air Force where he served his country from 1954 to 1974 During the last half of his USAF career he taught advanced airborne electronic maintenance in the mornings and coached youngsters in baseball football and basketball in the afternoons About the Author What Verle D Dresback did during his next twenty year career makes him uniquely qualified to give advice When he retired from Ingalls Ship Building in 1994 he was a senior engineer in the reliability section of the engineering department His credentials include identifying failures and creating solutions <http://sbpra.com> VerleDDresback **Chicken Soup for the Soul in the**
