The Tumble Inn William Loizeaux,2014-09-11 Tired of their high school teaching jobs and discouraged by their failed attempts at conceiving a child Mark and Fran Finley decide they need a change in their lives Abruptly they leave their friends and family in suburban New Jersey to begin anew as innkeepers on a secluded lake in the Adirondack Mountains There they muddle through their first season at the inn serving barely edible dinners to guests stranding themselves in chest deep snowdrifts and somehow miraculously amid swarms of ravenous black flies conceiving a child a girl they name Nat Years later when Mark and Fran are nearing middle age and Nat is a troubled teenager Mark s life is ripped apart forever changed and he must choose between returning to his old home in New Jersey or trying to rebuild what is left of his life and family in the place of his greatest joy and deepest sorrow The Tumble Inn is a moving drama about home and about the fragility and resilience of love

Never Fall in Love with a Cowboy
 Jessa Mae Love is done with relationships. No matter how tempting he might be, she cannot will not fall for a man like Lance Cortez. The outrageously handsome cowboy is practically a living legend in Colorado as famous for riding bulls as he is for breaking hearts. What would a big time rodeo star like him see in a small town veterinarian who wears glasses, rescues animals, and cries when watching rom-coms? Turns out plenty. Raising bulls, riding the circuit, and looking after his ailing father, Lance never stands still for long. Yet Jessa catches his attention, and the more she tries to resist him, the more he wants her. When she agrees to move to the ranch to keep an eye on Lance's dad, Jessa tells him they have to keep it professional: no flirting, no sweet talk, and definitely no kissing. But with Jessa now living under his roof, that's easier said than done. *Powder River, 1957* M.P. Aleman, 2024-05-24

The year my mother left us, my father found a dog along the highway just outside of Powder River. Thus opens the beginning of sixteen-year-old Matthew Christman's account of his senior year. Reeling from his loss, Matthew struggles to make sense of the adult world into which he has been forced to enter prematurely. He faces other losses; foremost among them, his innocence as he tries to figure out the difference between being a man's man or a good man like his father. The threat of death is ever present for Matthew as he learns the value of love and friendship in his journey to find his way in a world fraught with unpredictable challenges. **New Hampshire Diners** Larry Cultrera, 2014-10-07

New Hampshire loves its classic diners. Porcelain enameled and stainless steel facades dot the highways and collective memories of the state. They are the unofficial town halls where news great and small is discussed over a steaming cup of coffee. New Hampshire has lost many diners over the last five decades, but there are still plenty of vintage or retro inspired eateries that serve up homey meals and local stories. Visit Roger's Redliner in Portsmouth and dig into a plate of hash browns, or stop in at the Red Arrow in Manchester and reminisce over the loss of the local Rainbow Vet's Diner. Diner historian Larry Cultrera brings more than thirty-three years of research and his own flavor of storytelling to this classic slice of Granite State cuisine. [Life's Data Stackers](#) George Jones, 2010-02-21

Have you ever wondered how people can say and do such stupid, hurtful things? Why do lovers quarrel, employees get fired, unions go on strike, nations go to war, people get divorced, and rumors run wild? If you knew the answers to these questions and knew how to respond effectively to the causes behind these conflicts, you could vastly improve your relations with others, whether they be your children, your boss, or the President of Iran. George Jones wrote this book to give you the tools you need to understand the people in your life and to resolve your conflicts with them. He gives you these tools in a way that's clear and easy to understand and provides real-life examples that are often humorous, sometimes bizarre, and always compelling. At the core of Jones' approach is what he calls his Nine Laws of Human Relations, laws that will serve as a guide for your actions and provide insight into the actions of others. *Luckiest Cowboy of All* Carolyn Brown, 2018-01-30

secret baby brings a second chance for love Carlene Varner's homecoming isn't exactly going according to plan. She thought she'd have some time to adjust before introducing her daughter to Jace Dawson, the father her little girl has never known. Instead, within days of her arrival, her house burns down, and she and Tilly have no choice but to move in with the sexy cowboy himself at the Prairie Rose ranch. Now the whole Dawson clan, heck, the whole town of Happy, is all up in their business. Jace has dealt with stubborn bulls and bucking broncos, but being a dad? He is so not ready for this. Yet the more time he spends with Carlene and little Tilly, the harder it is to imagine life without them. Now he just has to convince Carlene that he's the real deal and hope that this time she's here to stay.

Hometown Cowboy by Sara Richardson. Outrageously handsome Lance Cortez is practically a living legend in Colorado, as famous for riding bulls as he is for breaking hearts. What would a big-time cowboy star like him see in a small-town veterinarian who wears glasses, rescues animals, and cries when watching rom-coms? Turns out plenty. For fans of Debbie Macomber or Lori Wilde, these cowboy romances deliver a heartwarming read full of feels.

Quickening Laura Catherine Brown, 2007-12-18. Our lives all contain growth spurts, physical ones most obviously, but intellectual and emotional ones as well. This acutely powerful debut novel focuses on just such a time in the life of a nineteen-year-old girl. Mandy Boyle is leaving home for the first time to begin college, full of ambition and anticipation, more than ready to sever ties with her blue-collar family and their backwater town in upstate New York. Over the next six months, Mandy's life is transformed, but hardly in the way she'd anticipated. Her father's sudden death acts as a disruptive catalyst on her own life, and overnight it seems her childhood ends. Mandy drops out of college, moves to New York City with a man she hardly knows, goes to work, and gets herself caught in an agonizing situation that she didn't choose but is entrapped by nonetheless. The stage in a pregnancy when a fetus first shows signs of having a life of its own is known as the quickening, a milestone of development as important and dramatic as when a young person leaves home for the first time. The story of Mandy's quickening, her emotionally wrenching growth spurt, is an affecting, engrossing read about real people making real choices, reacting to the unexpected turns a life can take. Brown's writing evokes comparisons to that of pragmatic, perceptive novelists like Wally Lamb, Elizabeth Berg, and Mona Simpson, as she describes a young woman's growing, acting, and choosing for the first time, a life for herself.

The American Diner Michael Karl Witzel, 2006. The rise of the American diner is the most savory of phenomena: where classic architecture, a friendly face behind the counter, and some mean pie all combined to make these little roadside stops a treasured part of history. From the early days when Walter Scott brought his horse-drawn lunch wagons through the streets to the heyday of mass-produced chrome and neon diners in the 1950s, *The American Diner* offers a full blue-plate special of nostalgia for all those who loved the counter culture of these great eateries. More than 250 historical and bright, colorful photographs help remind us of life before fast food and generous helpings of classic advertisements, cool collectibles, and architectural highlights also highlight the era. Diners from coast to coast are featured, giving readers a trip to some of the best stainless steel and neon diners that still dot the American roadways.
