Judas Project Study Guide American Christian Artist, 1996-05

The More Excellent Way, 2006-10

This book investigates why unlike in the early centuries the ethical behavior of Christians today is so little different from that of non Christians It does this by first reviewing the teachings of Jesus about how Christians are to live and the positive response of early Christians to these teachings The major portion of the book then documents how the rise of asceticism and the proliferation of church law came to eclipse Jesus teachings of serving others through unselfish love It reviews how Chrysostom Augustine Luther and others tried to return the church to the New Testament way of life The book reaches two conclusions Christians today prefer to live by only avoiding the gross evils forbidden by the Ten Commandments rather than by Jesus all inclusive New Commandment of loving one another as he loved us They are also willing to offer God
