The Art of Submission Meagan Dodds, 2021-07-19 There's a negative and wrong connotation of submission when it comes to women Women's submission doesn't mean that they settle Submission doesn't mean submitting to physical mental verbal or financial abuse It only means following the lead of the man who is the head of your household i.e. the financial provider and protector Ephesians 5:22-24 He professes his love to you and all the children by showing you respect i.e. he does not cheat abuse or suppress you A man is not the head of the family if he's not the head of his household In this case he's not the head he's a donor He's taking up space acting as if he's a man but he doesn't know what manhood he is So as we get started we're going to identify everything So ladies divine women who God has created own what God has poured into you If you've forgotten pick up that Bible and look at all those dynamic women within its pages While none of them were pastors they still demonstrated exceptional leadership qualities They were all women who made an impact What kind of impact are you willing to make The Art of Submission is ready to give you a full frontal view Let's get going ladies
