

A man with dark hair and light eyes, wearing a light blue and white striped button-down shirt, is the central figure. He is leaning forward with his arms crossed, looking directly at the camera with a slight smile. The background is a dark, out-of-focus city skyline at night, with several tall buildings visible. The text 'NOT SO TRULY young' is overlaid on his chest and arms. 'NOT SO' and 'TRULY' are in a white serif font, while 'young' is in a blue script font. Below this, the tagline 'THE HARDER THEY FALL' is in a small blue serif font, and the author's name 'JULIA WOLF' is at the bottom in a large white serif font.

Torture and Dignity J. M. Bernstein, 2015-09-14 In this unflinching look at the experience of suffering and one of its greatest manifestations torture J M Bernstein critiques the repressions of traditional moral theory showing that our morals are not immutable ideals but fragile constructions that depend on our experience of suffering itself Morals Bernstein argues not only guide our conduct but also express the depth of mutual dependence that we share as vulnerable and injurable individuals Beginning with the attempts to abolish torture in the eighteenth century and then sensitively examining what is suffered in torture and related transgressions such as rape Bernstein elaborates a powerful new conception of moral injury Crucially he shows moral injury always involves an injury to the status of an individual as a person it is a violent assault against his or her dignity Elaborating on this critical element of moral injury he demonstrates that the mutual recognitions of trust form the invisible substance of our moral lives that dignity is a fragile social possession and that the perspective of ourselves as potential victims is an ineliminable feature of everyday moral experience

Remingtons (Books 1-3 Boxed Set) Love in Bloom Contemporary Romance Series Melissa Foster, 2016-01-19

Discover the magic of New York Times bestseller Melissa Foster's writing and see why millions of readers have fallen in love with the Love in Bloom big family romance collection. This contemporary romance boxed set includes 3 full-length novels: *GAME OF LOVE*, *STROKE OF LOVE*, and *FLAMES OF LOVE*. Sneak Peek *SLOPE OF LOVE*. In *GAME OF LOVE*, Ellie Parker is a master at building walls around her heart. In the twenty-five years she's been alive, Dex Remington has been the only person who has always believed in her and been there for her. But four years earlier, she came to Dex seeking comfort and then disappeared like a thief in the night, leaving him a broken man. Dex Remington is one of the top PC game developers in the United States. He's handsome, smart, and numb. So damn numb that he's not sure he'll ever find a reason to feel again. A chance encounter sparks intense desires in Ellie and Dex. Desires that make her want to run and make him want to feel. A combination of lust and fear leads these young lovers down a dangerous path. Is it possible to cross a burned bridge, or are they destined to be apart forever? In *STROKE OF LOVE*, Kate Paletto runs a volunteer program in Belize for Artists for International Aid, where she deals with self-centered artists who use the program as a means to repair their marred reputations. She loves the country, the people, and what AIA stands for, but too many diva volunteers have turned her off to press seeking celebrities altogether and left her questioning the value of the volunteer program. When she meets incredibly handsome and charming Sage, he stirs emotions she hasn't felt for ages, even though he represents the things she despises. Laid-back artist Sage Remington escapes his wealthy lifestyle in the Big Apple for a two-week journey of self-discovery to figure out how a guy who has so much can feel so empty. When he meets ultra-organized Kate, who lives her life the way he's always dreamed of living, his attraction is too hot to ignore, but Sage is there to figure out what's missing in his life, not to find a woman. Every look and every late-night chat in the romantic jungle brings them closer together, but Sage can barely think past stripping away Kate's misconceptions about him. Kate fights him every step of the way, even though she finds it hard to ignore the strikingly handsome, generous-to-a-fault artist who wants to do nothing more than right the wrongs of the world and love her to the ends of the earth. In *FLAMES OF LOVE*, as one of New York's finest firefighters, Cash Ryder is always prepared. When a woman's car skids off the side of a mountain during a snowstorm, he's there to rescue her. Cash is totally focused on the woman's well-being, but within minutes of getting her to safety, he realizes that he's nowhere near prepared for the heat that rolls off of sensual, smart-mouthed, and stubborn Siena Remington. As a model, Siena Remington has dated some of the wealthiest, most handsome men in the industry, and she's made peace with the idea that most men are just looking for eye candy and they wouldn't know how to romance a woman to save their lives. When she's rescued by a tall, handsome stranger, she thinks that maybe, just maybe, she's found her own real-life romantic fairy tale. Until he opens his mouth, and everything that comes out is gruff orneriness and aggravatingly sexy. Thrown together during an annual firehouse calendar photo shoot, the passion between Cash and Siena sizzles, and neither one knows how to control the flames. After an
