Youth and Popular Culture in Africa Paul Ugor,2021 The edited collection focuses on the links between young people and African popular culture It explores popular culture produced and consumed by young people in contemporary Africa And

by culture we mean all kinds of texts or representations visual oral written performative fictional social and virtual created by African youth mostly about their lives and their immediate societies and for themselves but also consumed by the larger public and shared locally and globally We proceed from the premise that cultural texts not only function as social facts as Karin Barber argues but that they double as commentaries upon and interpretations of social facts They are part of social reality but they also take up an attitude to social reality 2007 04 So the work focuses specifically on what African youth produce as popular culture under what conditions or contexts they produce such work how they produce those texts why they produce them the aesthetic dimensions of these texts as cultural artifacts and why these textual practices matter as social facts as interpretive acts and as cultural symbols of the general cultural activism of young people in a rapidly changing world a world where the global cultural economy is the prime terrain for the relentless struggles over the meanings that come to shape political economic and social systems **ECCWS 2018 17th European Conference on Cyber Warfare and Security V2** Audun Jøsang, 2018-06-21 **ECEL 2020 19th European Conference on e-Learning** Prof. Dr.-Ing. Fadipe, Phillip Mpofu, 2024-04-01 Drawing on examples from across the continent this volume examines socially significant aspects of contemporary African popular culture including music cultures fandoms and community mass and digital media to demonstrate how neoliberal politics and market

forces shape the cultural landscape and vice versa Contributors investigate the role that the media politicians and corporate interests play in shaping that landscape highlight the crucial role of the African people in the production and circulation of popular culture more broadly and furthermore demonstrate how popular culture can be used as a tool to resist oppressive regimes and challenge power structures in the African context Scholars of political communication cultural studies and African studies will find this book particularly useful

Higher Education Pathways Paul Ashwin,M. Case,2018-12-13 In what ways does access to undergraduate education have a transformative impact on people and societies What conditions are required for this impact to occur What are the pathways from an undergraduate education to the public good including inclusive economic development These questions have particular resonance in the South African higher education context which is attempting to tackle the challenges of widening access and improving completion rates in a system in which the segregations of the apartheid years are still apparent Higher education is recognised in core legislation as having a distinctive and crucial role in building post apartheid society Undergraduate education is seen as central to addressing skills shortages in South Africa It is also seen to yield significant social returns including a consistent positive impact on societal institutions and the development of a range of capabilities that have public as well as private benefits This book offers comprehensive contemporary evidence that allows for a fresh engagement with these pressing issues

Lean Six Sigma in Higher Education Jiju Antony,2020-11-30 This book illustrates the integration of both Lean and Six Sigma as a process excellence methodology which can be utilized in Higher Education environments for achieving and sustaining world class efficiency and effectiveness It showcases various studies carried out by leading research scholars academics and practitioners

Clown of the City Stephan de Beer,2020-11-25 At opening this book everything one has learned or thought about urban ministry is challenged and changed Stephan de Beer offers a fresh exciting and thoroughly engaging approach The title is enticing and playful but the book is a serious grappling with the daunting realities of a shadowed marginalised urban life It does not theorise or pontificate about a concept The author is not a distant neutral observer He is an engaged minister to the people a struggler in their struggles prophet to the powerful This book invites the reader to join the people of the cities under siege by failed policies empty promises and disastrous politics in their struggles for meaningful life and it makes a powerful persuasive case Stephan de Beer has offered us a great gift and a wonderful opportunity to think and hope anew and differently about the life reality and future of the city
