- 1) In the novel, each of the members of the Tuck family views immortality differently. For Miles and Jesse, it is a blessing that allows them to see the world and make a much larger impact than they could if they were mortal. For Jesse and Miles it is worth the sacrifice of being alone. However, their parents, Mae and Angus feel that immortality took from them everything that made living worthwhile. For this essay, analyze why the family members feel differently about immortality. Is their age a factor or their separate experiences? Who is right and who is wrong?
