Barry's Own Blend of Jewish Recipes Barry Harvey, 2013-06-24 A quick note about this book: you will be glad to know that the majority of recipes are Jewish and Austrian. The Jewish Calendar is peppered, no pun intended, with religious and traditional festivals celebrated with a multitude of different foods, which also incorporates different foods from other countries, which I have added to this book. I have always loved food and started taking an interest in food at a very young age. By writing this book for me, it preserves the traditions and enables me to pass my knowledge to my children; therefore, by doing this, they will not forget where they come from. For me, it is important to encourage my children to cook and also try some of the food I was brought up with when I was a child.
