Committee on Health, Education, Labor, and Pensions, 2002 Drug Abuse: Prevention and Treatment Mangai Natarajan, 2017-05-15 Ever since the Shanghai convention in 1909 the threat posed to human well being by drug abuse has led countries around the world to take action to deal with their drug problems There are wide variations in the policies pursued but most countries try to reduce both the supply of and the demand for drugs

Unfortunately there is little research consensus on the respective merits of these two approaches or about the best ways to pursue them. Consequently control and prevention policies are mostly driven by political considerations, economic realities and cultural expectations though research has played an important part in formulating and evaluating treatments for drug addiction. This volume reviews studies on drug abuse prevention and treatment strategies under five main areas: 1 Reducing supply strategies to control the flow of drugs from production to retail distribution; 2 Reducing demand prevention of drug use at all stages of involvement and consumption levels; 3 Reducing harm promoting situational risk reduction practices for regular users, addicts and recreational users; 4 Reducing addiction drug treatment options for various groups in various settings; and 5 Drug policies and prescriptions focused on debates about prohibition and legalization. *Federal Register*, 2005-03. *2017 Catalog of Federal Domestic Assistance* United States. A practical how to guide to developing, implementing, evaluating and sustaining effective family life education programs. Drawing on the best scholarship and their own years of professional experience, the authors of this thoroughly updated Third Edition begin by discussing the foundations of family life education and encourage readers to develop their own outreach philosophies. The book then helps readers learn principles and methods for reaching out to the public and how to form and use community collaborations and use principles of social marketing to promote programs. [Literature Review of Sexual Abuse](#) Diane DePanfilis, 1987. This document provides a review of recent state of the art literature concerning the nature, extent, dynamics and effects of child sexual abuse and examines America's preventive intervention and treatment efforts for child sexual abuse. After an extensive presentation of the problems of defining terms in sexual abuse, these topics are discussed: 1 scope of the problem including incidence of abuse; 2 dynamics of sexual abuse focusing on perpetrators, intrafamilial child sexual abuse and sexual exploitation; 3 effects of sexual abuse on children and families; 4 prevention education for parents, efforts for professionals, efforts targeted at children and an evaluation of prevention efforts; 5 intervention; 6 the legal response to child sexual abuse including statutes and legal intervention; and 7 treatment for victims and offenders. A 226 item reference list and a 30 item selected bibliography are included.
