

The book cover features a dark, atmospheric photograph of a stone arch bridge spanning a river in a lush, forested area. The bridge is illuminated by a warm, golden light, possibly from the setting or rising sun, which creates a strong reflection on the water below. The overall mood is nostalgic and serene.

I Can't Fall In Love (English Edition) Renée Conte,2025-08-21 Five years had passed since Andrea and Beatrice had last seen each other in person and if it hadn t been for that incomplete message she had sent him by mistake they probably wouldn t have met again The two young people had met when they were still children during their summer holidays on the beach at Follonica A sincere and innocent friendship was immediately born between them which grew stronger every summer until as teenagers they realized that that friendship had turned into a tender infatuation especially on Andrea s part But their beautiful friendship did not continue due to the break off of the engagement between Beatrice s mother and her partner who no longer allowed her to return to Follonica Although Beatrice and Andrea both lived in Milan they never had the chance to meet During the year Andrea he used to study in Switzerland in the summer he spent his holidays in Follonica Then once he graduated from high school he moved to New York to continue his studies A distance that is difficult to bridge Then even their phone calls which were frequent at first became increasingly rare over time until they stopped altogether Therefore that delicate feeling that had united them as teenagers seemed destined to remain only a beautiful memory At the age of 19 and having put aside her crush on Andrea unlike her peers Beatrice still didn t have a boyfriend and was not interested in having one She preferred to avoid sentimental complications so as not to be conditioned by the expectations and decisions of others She had goals to achieve before she could fall in love first of all her studies then her career and last but not least her independence Beatrice knew the pain her mother had suffered for always putting love first She didn t want to make the same mistake But in love there are no rules it is practically impossible to choose when and with whom to fall in love because love is an instinctive feeling that arises when you least expect it that absorbs you body and soul that makes you do stupid things even and you cannot love or not love on command to avoid them Despite her stubbornness Beatrice s intentions are shattered when after receiving that message Andrea asks to see her again It takes little to awaken in the boy the strong feeling he had felt years before for his young

friend at the same time Giorgio Beatrice's lifelong friend also declares to her that he feels something that goes far beyond mere friendship. However, she is not ready to start a romantic relationship, neither with Andrea nor with Giorgio, for whom she nevertheless feels a deep affection. In order not to disappoint either of them and not to make any decisions about their statements, she is convinced that she will be able to manage the friendship of both of them. Without emotional involvement, but it is only an illusion, and the sentimental complications she so badly wanted to avoid will come crashing down on her without her realising it. With love also comes jealousy, which will make her make bad decisions. And it is from that moment that things really start to get complicated.

The English Translation of Cāndāyan Naseem A. Hines, 2023-06-16. This book is the first English translation of Cāndāyan, the pioneer work in a long tradition of Indian Sufi love narratives. The story was adapted from an oral epic, Chanaini, popular in the Awadhi-speaking region of north India in the fourteenth century. The early manuscripts of Cāndāyan, though composed in the Awadhi dialect, were recorded in the Persian script. Each stanza-like unit is introduced by a phrase or sentences in the Persian language style, making it necessary for a reader to know the Persian script and language as well as the Awadhi dialect. This somewhat limits the access to fully explore Cāndāyan. In addition to this, the esoteric interpretation, which is the distinguishing feature that gives the Indian Sufi masnav literature its unique identity, was also not yet realized. Cāndāyan deserves to be celebrated and recognized because it marks the beginning of the indigenizing process of the masnav in India and served as a model for this literary genre for the next 540 years. A serious study of Maulana Daud's Cāndāyan, composed in 1379 in the reign of Firoz Shah Tughlaq, did not begin until well into the twentieth century because only a few pages of its manuscript folios were discovered at a time in various academic institutions and museums around the world. Cāndāyan is a fascinating study of the blending of the features of the Persian masnav with the features of the Hindi prem-khyān narratives and the features of the medieval Jain literature. Even today, annually in the Mahakoshala region, Cāndāyan is presented in the form of drama and in the folk song and play forms. Print edition not for sale in South Asia, India, Sri Lanka, Nepal, Bangladesh, Pakistan, and Bhutan.

The English Version of the Polyglott Bible, 1843. The Oxford Guide to Literature in English Translation Peter France, 2000. This guide highlights the place of translation in our culture, encouraging awareness of the process of translating and the choices involved, making the translator more visible. Concentrating on major writers and works, it covers translations out of many languages from Greek to Hungarian, Korean to Turkish. For some works, e.g., Virgil's Aeneid, which have been much translated, the discussion is historical and critical, showing how translation has evolved over the centuries and bringing out the differences between versions. Elsewhere, with less familiar literatures, the Guide examines the extent to which translation has done justice to the range of work available.
