To Boldly Go Djoymi Baker, 2018-03-06 Today's media cinema and TV screens are host to new manifestations of myth their modes of storytelling radically transformed from those of ancient Greece They present us with narratives of contemporary customs and belief systems our modern day myths This book argues that the tools of transmedia merchandising and promotional material shape viewers experiences of the hit television series *Star Trek* to reinforce the mythology of the gargantuan franchise Media marketing utilises the show's method of recycling the narratives of classical heritage yet it also looks forward to the future In this way it reminds consumers of the *Star Trek* story's ongoing centrality within popular culture whether in the form of the original 1960s series the later additions such as *Voyager* and *Discovery* or J J Abrams reboot films Chapters examine how oral and literary traditions have influenced the series structure and its commercial image how the cosmological role of humanity and the Earth are explored in title sequences across various *Star Trek* media platforms and the multi faceted way in which Internet video game and event spin offs create rituals to consolidate the space opera's fan base Fusing key theory from film TV media and folklore studies as well as anthropology and other specialisms *To Boldly Go* is an authoritative guide to the function of myth across the whole *Star Trek* enterprise

relation to Stanley Kubrick's 2001 A Space Odyssey by looking at both narratives through the perspective of systems theory. As a result of doing so, an engaged debate concerned with the political and philosophical subtext of both stories developed. This book gives a full account of the debate with summaries of ideas and insights. The book has been developed on an idealistic basis. It is sold at the lowest price the publisher was willing to accept. A free e-book version can be downloaded at www.lulu.com. My Official X-Files Pictorial Price Guide Duane Dimock, 1995-11 *The CBS Radio Mystery Theater* Gordon Payton, Martin Grams (Jr.), 1999. Almost every day for nine years during the late 1970s and early 1980s the CBS Radio Mystery Theatre brought monsters, murderers, and mayhem together for a whole hour each evening. Created, produced, and directed by Himan Brown, the series remains a landmark in radio drama. But Mystery Theater ended over 15 years ago, and no one has yet been able to gather enough information to write a book detailing the history of the episodes until now. This work offers a detailed log of every Mystery Theater episode ever broadcast: nine years of monsters, murderers, and mayhem. Descriptive information includes exact titles, airdates, and rebroadcast dates; episode numbers; cast lists; writer and adapter credits; and a storyline synopsis. This material comes directly from CBS press releases in order to insure complete accuracy. Also included, wherever possible, are information about the actors and actresses, quotes from performers and writers, many from personal interviews, anecdotes about various scripts, and sound effects and other notes of interest.
