Speaking in Tongues and Dancing Diaspora Mae G. Henderson, 2014-05-07 The oral tradition has always played an important role in African American literature ranging from works such as Zora Neale Hurston's *Their Eyes Were Watching God* to Toni Morrison's *Beloved* These and countless other novels affirm the power of sonance and sound in the African American literary canon Considering the wide swath of work in this powerful lineage in addition to its shared heritage with performance Mae G Henderson deploys her trope of speaking in tongues to theorize the preeminence of voice and narration in black women's literary performance through her reconstruction of a fundamentally spiritual practice as a critical concept for reading black women's writing dialogically and intertextually The first half of the book is devoted to influential works of fiction as Henderson offers a series of spirited attentive readings of works by Zora Neale Hurston Alice Walker Sherley Anne Williams Toni Morrison Gayl Jones and Nella Larsen The second half shifts gears to consider the world of female African American performance most notably in the figures of Josephine Baker and the video dancer Drawing on the trope of dancing diaspora Henderson proposes a model of theorizing based on performing testimony and critical witnessing Throughout the book Henderson draws on a history of black women not only in the Pentecostal Holiness Church but also within the traditions of classical Christian African and black diasporic spirituality and performance Ultimately *Speaking in Tongues and Dancing Diaspora* provides a deeply felt reflection on race and gender and their effects within the discourses of speaker listener and audience performer

A Taste for Brown

Sugar Mireille Miller-Young, 2014-12-08 A Taste for Brown Sugar boldly takes on representations of black women's sexuality in the porn industry. It is based on Mireille Miller Young's extensive archival research and her interviews with dozens of women who have worked in the adult entertainment industry since the 1980s. The women share their thoughts about desire and eroticism, black women's sexuality and representation, and ambition and the need to make ends meet. Miller Young documents their interventions into the complicated history of black women's sexuality, looking at individual choices, however small: a costume, a gesture, an improvised line, as small acts of resistance of what she calls illicit eroticism. Building on the work of other black feminist theorists and contributing to the field of sex work studies, she seeks to expand discussion of black women's sexuality to include their eroticism and desires as well as their participation and representation in the adult entertainment industry. Miller Young wants the voices of black women sex workers heard and the decisions they make, albeit often within material and industrial constraints, recognized as their own.

Satisfaction Karrine Steffans, 2025-05-01 In this erotic combination of fantasy and how to guide, channel your passions and turn your dreams and your partner's dreams into reality. Many people tend to think that fantasies are far-fetched and out of reach; that they are just for those girls you know, the girls you've spent your whole life convincing others you're nothing like. Well, it's time to change our way of thinking and become more open to being just like those girls in our relationships. It's time to turn your fantasies and your partner's fantasies into reality and not just on birthdays and holidays or when your man finally paints the garage. They should never be just for special occasions but an active part of your everyday life. From this point forward, you should take a bold step, make a liberating decision. It's time to make fantasies and role playing a regular part of your sexual agenda.

Karrine Steffans Some of the chapters include: Defilement, Domination, The One Man Gangbang, Paid Escort, Self Pleasure, If I Have To Show You What To Do, Why Are You Here, Swingers.

Erotic Revolutionaries Shayne Lee, 2010-08-04 Why is there no pro-sex contingency in black feminist scholarship? Why do so few African American scholars expound on issues celebrating female sexual pleasure? Perhaps the answers to these questions reside within a discursive matrix of sexual repression commonly referred to as the politics of respectability and its rein on black sexual politics. In *Erotic Revolutionaries: Black Women Sexuality and Popular Culture*, sociologist Shayne Lee steers black sexual politics toward a more sex-positive trajectory. Introducing feminist analysis to a conceptual ménage à trois of scripting theory, media representation, and black sexual politics, Lee considers the ways in which the feminist quest for social and sexual equality can delve into popular culture to see the production of subversive scripts for female sexuality and erotic agency. Whereas most feminist scholarship underscores how sexual representations of black women in media are exploitative and problematic, Lee portrays black female celebrities like Janet Jackson, Beyoncé, Karrine Steffans, Zane, Tyra Banks, Juanita Bynum, Sheryl Underwood, and many more as feminists of sorts who afford women access to cultural tools to renegotiate sexual identity and celebrate sexual agency and empowerment. *Erotic Revolutionaries* navigates the uncharted spaces where social constructionism, third-wave feminism, and black popular culture collide to locate
