The book is organized by type of seafood so if say snapper is not available that day a quick substitution can be made with catfish flounder or whatever similar fish is freshest. The author's tips for selection preparation and cooking techniques including poaching steaming baking grilling frying and roasting allow the reader to cook with confidence. Gaebel, 2013-11-21 This cookbook was originally written as a Christmas gift for my daughter Lindsey. I worked morning noon and night to gather a collection of recipes from my own kitchen as well as recipes from family and friends. These recipes were Lindsey's favorites; those she would request time after time. The more people I talked to about their recipes the more people would come to me because they heard I was looking for Lindsey's favorites. What started out to be just a little booklet was turning into a full-fledged cooking encyclopedia. I gave Lindsey the small unedited version for Christmas that year with the understanding that I needed it back so that I could put together the other recipes I had collected. I continued working on my book and what started out as a forty-page cookbook was now over one hundred pages. This book contains a conglomeration of recipes from friends family and even Lindsey as well as from me and my fiancé Curt. We have all contributed our best-loved favorite recipes. No matter who contributed the recipes they are all contributed with love. After all that was the original intent of my gift to my daughter. Finally I give this gift to Lindsey with all my love. *500 More Low-Carb Recipes* Dana Carpender, 2004-10-01 Dana Carpender has done it again. 500 all-new recipes from snacks to desserts that the whole family will love. This time she highlights world cuisines including Italian French Chinese Japanese Greek Mexican and other ethnic favorites. Most of these cuisines emphasize carbs whether it's rice pasta or potatoes but Dana has worked her magic to make delicious simple low-carb versions that provide variety to the world's most popular diet. **America's Test Kitchen 25th Anniversary Cookbook** America's Test Kitchen, 2024-09-17 A landmark collection of the 500 best of the best recipes from the past 25 years of the hit TV show.
