Island of Tears, Island of Hope Niall O'Brien, 2005-05-25 In his acclaimed memoir *Revolution from the Heart* O'Brien described his personal journey as a priest and the steps that led him to share the struggle and the fate of the poor on the island of Negros in the Philippines In *Island of Tears Island of Hope* he wrestles with the form that commitment ought to take The desperate plight of Negros s sugar workers cries to heaven for revolutionary change But what are the appropriate means for Christians While weighing the church s traditional defense of violence in a just cause O'Brien outlines a case for active nonviolence In focusing on the dilemma before him he speaks to all Christians living in a world of revolution

Hijacked! Clarence Washington Sr., 2021-06-24 In this four volume series *Hijacked* How Dr King s Dream Became a Nightmare author Clarence Washington Sr dissects Dr Martin Luther King s dream and explores how our failure to adhere to its principles has allowed the dream to be hijacked and turned to a nightmare and it s time to wake up In the third volume of the *Hijacked* collection *The Nightmare* the author details the devastating destruction of the lives of an enormous number of poor disadvantaged and middleclass people This represents the destruction of the American way of life as a direct result of the hijack of Dr King s dream a dream that is so inseparably connected to the American dream Today America could be depicted as a waning great person who is standing on the edge of a tall building at the top of the world looking around in deep contemplation not knowing exactly what to do next If the winds of change blow too hard this wavering person could lose their focus fall and plunge to their death never again to regain their greatness To step back from the edge we must all do our part to make King s dream a reality instead of watching it morph

into something dark The Nightmare is an exposition of the tragic evidence of America's imminent loss of her exceptional nation status and the opportunity to make Dr King's dream a reality For the full dissection of Dr King's dream and how our failure to adhere to its principles has led to a nightmare explore the other volumes in Hijacked How Dr King's Dream Became a Nightmare Other volumes in this series focus on the dream the hijack itself and how we can recover **World**

Michael Blain, 2016-04-08 Blending concepts from dramatism such as victimage ritual with Foucault's approach to modern power and knowledge regimes this book presents a novel and illuminating perspective on political power and domination resulting from the global war on terrorism With attention to media sources and political discourse within the context of the global war on terror the author draws attention to the manner in which power elites construct scapegoats by way of a victimage ritual thus providing themselves with a political pretext for extending their power and authority over new territories and populations as well as legitimating an intensification of domestic surveillance and social control A compelling analysis of ritual rhetoric and political violence Power Discourse and Victimage Ritual in the War on Terror will be of interest to sociologists political theorists and scholars of media and communication concerned with questions of surveillance and social control political communication hegemony foreign policy and the war on terror [The Elgar Companion to War, Conflict and Peacebuilding in Africa](#) Geoff Harris, 2024-02-12 This dynamic Companion brings together esteemed academics from across the globe to provide ten distinct approaches to peacebuilding in Africa With a timely and forward thinking approach to war and conflict the book focuses on the utilisation of traditional African dialogue in contemporary
