Schultz,2025-05-02 A bracing accessible history of white American liberals and why it s time to change the conversation about them If there s one thing most Americans can agree on it s that everyone hates white liberals Conservatives hate them for being culturally tolerant and threatening to usher in communism Libertarians hate them for believing in the power of the state Socialists hate them for serving as capitalism s beard Even liberals hate liberals either because they can t manage to overcome their own prejudices or precisely because they re so self hating This is the starting point for Kevin M Schultz s lively new history of white liberals in the United States He efficiently lays out the array of objections to liberals ineffective spineless judgmental authoritarian and more in a historical frame that shows how protean the concept has been throughout the past hundred years It turns out he declares that how you define a white liberal is less a reflection of reality and more a Rorschach test revealing your own anxieties Sharply assessing how decades of attacks on liberals and liberalism have steadily hollowed out the center of American political life Schultz also explains precisely what needs to be done to avoid digging ourselves even further into the hole of polarization The ultimate goal he argues is to achieve political fragmentation that will fuel the rise of a true multiparty system where ideology will matter more not less With a tight command of postwar American history and a spirited voice Why Everyone Hates White

Liberals Including White Liberals is a must read for anyone wishing to understand and envision a way forward in the complicated landscape of American politics
