Windows 8 guide :

Windows 8.1 Update Quick Reference Guide Marshall Koontz, 2014-12-07 Windows 8 is the most complex form of Windows software to date. Many people have such a hard time working with Windows 8 that they have rolled back their software to Windows 7 which was a much easier platform. By using the Windows 8 1 Update Quick Reference Guide it can easily help you to find the answers to questions you have about Windows 8. Getting quick answers will help you to be able to learn how to use Windows 8 without too much reading.

Windows 8 User's Manual Michael Edwards, 2014-04-16 Why Read This Manual Before Using Windows 8? If you are like many others who want to stay updated with the latest technologies and want to adapt the same as soon as it is possible for you, then Windows 8 is for you. However, it is important to know that this version differs a lot from the earlier versions developed by Microsoft. This makes it necessary to learn all the new features of Windows 8 before using it in your tablet. Along with many new features introduced in Windows 8, a few of them are replaced by advanced features to provide a better user experience to all tablet and PC users. Keeping this in consideration, the main challenge is to learn every bit of those features so that you can have excellent command over them while using Windows 8. This guide has been designed to fulfill the same purpose. Throughout the book, you will find each new feature of Windows 8 along with many other important details you should know about Windows 8 before actually using it. Once you are done with reading this manual, you will be able to use Windows 8 proficiently.
