Windows Server Manual:

Windows Server 2019 Essentials Installation Guide for Small Businesses Nicholas Rushton, 2018-10-27 Windows Server 2019 Essentials is the latest version of Microsoft's server operating system designed for organizations with up to 25 employees. However, as with most modern applications, it comes with only the most basic of instructions. Windows Server 2019 Essentials Installation Guide for Small Businesses is a succinct installation guide produced from a real-world perspective and written according to the Goldilocks Principle: not too little information, not too much information, but just right. With over 170 illustrations and screenshots, practical examples, and clear explanations, it takes you through setting up Essentials in a typical small business. Whether you are installing Essentials for the first time, are planning to do so, or are just plain curious, you will find this proven guide of interest and help. And with everything in one place, it is the superior alternative to spending many frustrating hours searching the internet for what is sometimes inaccurate or obsolete information.
