The Business of Wine Geralyn G. Brostrom,Jack Brostrom,2008-12-30 Wine has been a beverage staple since ancient times especially in Europe Today s global wine business is thriving and American consumption of wine has increased dramatically in recent years with the health benefits touted in the media More Americans are becoming interested in learning about wine and they are taking winery tours and attending wine tastings The Business of Wine An Encyclopedia is a necessary part of wine education for everyone from the curious consumer to the oenophile or business student and industry professional It appeals to even the casual browser who wants to be more informed about wine terminology such as terroir or varietal labeling or what constitutes a Pinot Grigio or a Cabernet Sauvignon More than 140 entries illuminate the regions grapes history wine styles business elements events people companies issues and more that are crucial to the wine industry Today s wine industry is an unusually complex network of interrelated businesses that collectively serve to produce wine and get it into the hands of consumers all over the world This A Z encyclopedia shows how production distribution and sales segments work together to bring wine to the public and describes the trade in wine and its related subsidiary elements Written by a host of wine professionals this is the most up to date source to understand what goes into the enjoyment of a glass of wine An appendix with industry data sidebars and a selected bibliography complement the A Z entries **Leary's Global Wineology** Charlie Leary, PhD, MA,2022-11-15 This is the only complete guide to wine education programs classes and scholarship Those wishing to increase their understanding and appreciation of wine for personal enjoyment or social know how and those who desire to pursue or advance a professional career in the wine industry now confront a plethora of wine education options with a confusing array of titles degrees certificates and specializations Some wine education is free

and short while other programs can cost dearly in time and money Some courses of study take a few hours and others a few years Institutions offering wine education vary from state colleges and universities to non profit organizations and many profit seeking companies Sommeliers require training that may be mostly useless to vintners Someone who wants to deftly handle ordering wine in a restaurant probably doesn't want to learn about wine chemistry or Integrated Pest Management Which program is right for you What's the difference between an MS and an MW or an MS in viticulture Is the education for a CWE the same as that for a WSET Diploma Are some schools better for learning about wine journalism than the wine business This book will help answer such questions There are chapters on wine studies programs and credentials including for sommeliers and those working in the wine trade university viticulture and enology programs wine business study programs free online wine education courses wine studies scholarships and wine mentorship programs Advance Praise for Leary's Global Wineology This groundbreaking book on wine education will be useful to business owners as well as wine enthusiasts When I bought my wine business I looked far and wide for guidance on classes or programs to strengthen my wine knowledge Nothing existed It was an arduous task to figure out which course to take amongst the so many offered Charlie Leary has now filled that gap It will be useful to me not only in assessing candidates for employment but also as a resource in training my staff This guide is indispensable for anyone in the wine trade writ large and has lots of information of use to the general wine drinking public who want to learn more Sajive Jain Owner of Bottle Barn Sonoma California
