Winning The Battle Within Kwesi Kwakye Korankye Kesse,2025-09-13 Every believer will face battles but some of the most challenging wars are not fought in the open They happen quietly deep within the mind and heart These inner struggles often show up as doubt fear shame or silence Unlike external battles that others can see the battle within is hidden yet its impact is very real It can keep you from stepping into God s purpose rob you of joy and weaken your confidence in who He says you are The good news is that God has equipped you with everything you need to overcome His Word is your sword His Spirit is your strength and His love is your covering As 2 Corinthians 10 4 5 reminds us The weapons we fight with are not the weapons of the world On the contrary they have divine power to demolish strongholds We demolish arguments and every pretension that sets itself up against the knowledge of God and we take captive every thought to make it obedient to Christ Winning the battle within is not about trying harder in your own strength but about learning to recognise the hidden opponents that revolt against your soul The inner critic the fortress of fear and the weight of shame and silence are just a few of the voices and barriers you may face Yet none of them are stronger than the truth of God s Word This book is for the
