Winter Omens The Last Year 2 Trisha Leigh:

Winter Omens Trisha Leigh,2012-09-25 Althea and Lucas barely escaped the Others clutches in the autumn and were separated in the process Alone and on the run from the cruel alien race determined to exterminate her Althea struggles to adapt and survive in a world she never imagined When a boy named Pax appears out of nowhere he quickly recognizes Althea for what she is a human Other hybrid just like him Althea begs him to help her find Lucas but Pax refuses intent on following his own mysterious agenda The Others presence continues to devour the planet s resources and if history is an indication they won t leave until Earth is destroyed beyond repair Althea and Pax sense the only way to save themselves and maybe their home is to understand the powers simmering inside them Together they push the limits of their capabilities in the quiet Wilds but are soon confronted with a terrifying fact no place is safe from the relentless pursuit of the Others Least of all their own minds *Alliance* Trisha Leigh,2015-01-17 *By Referral Only* Lyla Payne,2013-06-27 After being unceremoniously dumped freshman year because of her family s new money status Ruby Cotton has taken care not to put her heart on the line No matter how enticing Emilie and Quinn make it look relationships are scary and hard while a string of flings is easy and fun That s what Ruby wants Easy and fun The only problem is when it comes to satisfaction in the sack most of the boys at Whitman are nothing but pretty window dressing and false advertising Ruby takes it upon herself to make campus life more fulfilling creating a referral database that allows female students to rate their sexual experiences thereby informing girls of what they re getting into before agreeing to a date When her acting partner Liam Greene finally shows some interest Ruby figures she won t need to utilize the helpful gossip He s handsome fun and most importantly not a guy she d ever fall for hard enough to let him break her heart Not only that but dating Liam gives Ruby the perfect excuse to say no to Cole Stuart As a star swimmer and heir to honest to God Scottish royalty Cole sits at the top of Whitman s A list but he s also the lowest rated referral on Ruby s website The ratings make rejecting his repeated requests for a date a no brainer but her real reason for avoiding Cole runs deeper than a string of unsatisfied exes He s gorgeous he oozes sweetness and charm and the electricity between them could power half of Whitman but Ruby knows it will only last until his family or friends convince him she s not good enough Before she knows it she s falling anyway waiting for the other shoe to drop but clinging to a tentative hope that Cole might be as different as he seems When the secret behind his low ratings comes to light that hope is torn apart and Ruby wonders if she was right to give him her heart and whether she has the strength to let him keep it
