Winter Solstice Winter E. J. Squires, 2013-07-10 In the land of the midnight sun where ruthless Vikings and shape shifters roam free an evil empress usurps the Northlandic Throne and suspends the seasons on Winter Solstice Lucia and Soren were sent by the gods to defeat the empress but deceits run deep and they become torn between fate and reality and between love and loyalty as the battle to end all battles begins What readers are saying Loved the Window into Norse mythology Riveting and movie worthy I have just one problem with this book I can t wait for the second one A wonderful period romantic thriller that grabs your attention in the first few pages and never lets up on its grip Non stop fly by the seat of your pants suspense I found the book to be an impressive Viking tale with two very real very well described main characters This is one of those books that makes you say I ll read for twenty minutes Then two hours later you decide you

need twenty minutes more Welcome to a cold wintry world where nothing is what it seems Winter Solstice Winter has the perfect amount of intrigue mystery mythology action love and passion to make it a very good read Usually I have no patience for historical fiction unless it offers something fresh or truly engaging to the story Winter Solstice Winter does that and then a lot more My advice is straightforward GET THIS BOOK YOU RE GOING TO LOVE IT Summer Solstice Summer E. Squires,2013-12-30 Follow this New Adult Viking Series that is taking the world by storm Ailia and Soren have finally found each other but their war against Eiess has barely begun Eiess has sent six legions of Surtorians after them and in order to save their lives Soren and Ailia plan to escape to the Southlandic Kingdom with the rest of their family But before they leave they discover that the Aesira Jewel the key to returning the seasons back to normal has been stolen by darkelves Despite her reluctance to separate from Soren again Ailia sails for the Southlandic Kingdom to safety while Soren chases after the thieves What Ailia doesn t know is that he is taken prisoner by the darkelves in another realm Lucia s alliance with Eiess is proving a powerful one and her hunger for revenge and supremacy grows stronger every day The darkelves hand off the Aesira Jewel to Eiess and together Eiess and Lucia plan to unsolder it and spread its remains across the nine realms Unexpectedly Lucia meets and falls in love with a Viking who is determined to give her whatever she wants no matter the cost Having fulfilled his duty to Soren the malicious shape shifting Nukkern pursues Ailia at the command of Eiess Posing as Soren the Nukkern wields the most dangerous threat of all making sure Ailia distrusts her abilities as the Great Sentinor and making sure she learns that love can only mean one thing immense suffering Soren must find a way to escape the realm of the darkelves and find his way back to Midgard before it s too late With deadly storms raging in the Southlandic Kingdom and Ailia s family members imprisoned by Lucia it seems impossible for Soren and Ailia to win the war against eternal darkness *Fires of Winter* Johanna Lindsey,1989
