Prepare Them to Shepherd Brian Croft, 2014-06-03

Are You Called to Ministry? Those who are involved in full-time ministry often say they have been called to do what they do. But what does that mean? Who does the calling, and how is it received? In *Prepare Them to Shepherd*, pastor Brian Croft unpacks the biblical model for preparing individuals for full-time ministry. In the past, training and sending individuals into full-time pastoral ministry and missionary work was viewed as the responsibility of the local church. Today, much of that responsibility has been delegated to Bible colleges, seminaries, and parachurch and mission organizations. The aim of *Prepare Them to Shepherd* is to challenge local churches to recover the biblical model for ministerial training and assume responsibility to identify and prepare gifted and godly individuals for service in Christ's body. Part of the Practical Shepherding series of books, this insightful book provides pastors and ministry leaders with the practical help they need to test, train, affirm, and send those who are called into ministry.

Jesus Centered Youth Ministry: Guide for Volunteers Rick Lawrence, 2014-12-08

If you're a volunteer in youth ministry, you've likely wondered: How did I get here? No matter how you'd normally answer, one thing's for sure: You're here because Jesus nudged or maybe even dragged you here. That's because Jesus loves you and loves teenagers, and he wants them to get what you have to give. But how do you maximize your time with them? And how can you make an impact that draws students into a closer orbit around Jesus? When you're captured by the real Jesus, not the knockoff Jesus we often hear about in our culture, then your pursuit of him influences your kids' pursuit of him. And when you're all in with the real Jesus, you have lasting impact in your interactions with students. This guide for volunteers is a condensed version of Rick Lawrence's wildly successful book *Jesus Centered Youth Ministry*. It delivers a laser-sharp focus on why we need a renewed focus on Jesus in youth ministry and gives you practical, sustainable ways to put JCYM ideas into practice. You'll encounter page after page of field-tested ideas for crafting and nurturing a Jesus-magnetic ministry environment. Help satisfy your teenagers' hunger for Jesus by helping to shift the orbit of your ministry.

Breaking Free from the One Pastor Mentality in Congregational Life Cynthia L. Hale, 1991

The Biblical Counseling Movement after Adams (Foreword by David Powlison) Heath Lambert, 2011-11-02

People inside and outside of the biblical counseling movement recognize differences between the foundational work of Jay Adams and that of current thought leaders such as David Powlison. But as any student or teacher of the discipline can attest, those differences

have been ill defined and largely anecdotal until now Heath Lambert the first scholar to analyze the movement's development from within shows how biblical counseling emerged from and remains rooted in a commitment to the sufficiency of Scripture and the need to give practical help to struggling people He identifies contemporary leaders including Powlison Ed Welch Paul Tripp and Wayne Mack who emphasize the sinner as sufferer the heart as key to motivation and the need to interact humbly with critics Demonstrating how these refinements in framework methodology and engagement style are characteristic of a second generation of biblical counselors Lambert contends this new wave of counselors is now increasingly balanced in their counseling methods With a substantial foreword from David Powlison and strong support from prominent biblical counselors this book will help all Christians interested in the fundamentally theological task of counseling to think carefully and biblically about how it is taught and practiced Shepherding Stephen Kaung, 2014-06-17

Shepherding is one of the important functions in the church It is not only one of the gifted people whom God gives to the church for the perfecting of the saints see Ephesians 4 11 12 where pastors should be shepherds It is also one of the main functions of the elders of the church see I Peter 5 1 Indeed it is expected of all the spiritual members of the church to be engaged in such a work Our Lord's words to Peter were feed my lambs shepherd my sheep and feed my sheep see John 21 15 17 For this reason it is required of us to know what the functions of shepherding are and also the qualifications This series of three messages on shepherding is prepared for the promoting of God's work and the strengthening of this important but sadly lacking ministry in the church May God use it for His glory
