Early to bed, Early to rise. What? Jasper Abiahu, 2022-11-03 Early to bed early to rise what aEURoe So teach me to number my days that I might apply my heart unto wisdom aEUR Psalm 90:12 You don't count your days you number your days and make your years count Then can it be said that you lived Then can it be said that you lived Then can it be said that you lived There is no celebration for someone who achieved There is no celebration for someone who achieved at eighty What he

would have achieved at age twenty Since there must be a doing why do it when you are old I think it is of uttermost benefit to the door to have an early start the doing and on early finish leading to a lifetime celebration Early to Bed Early to Rise is a wake up call to everyone to make the most of them now for you don't learn to walk at age twenty you should be aiming at touch of the skies Early to Bed Early to rise alludes to the past that life is in phases There are times and seasons Don't die at age twenty and get buried at age eighty No Start Now Rise Now Live forever

Discovering Your Inner Abilities Dr. Ignatius Ekanem, 2010-03-23 God has given every human being tremendous abilities but many times we fail to utilize them because we don't recognize them as such The main reasons for not recognizing our abilities are because sometimes they can come too naturally and too easily to be real and other times because of lack of self esteem Abilities that are not discovered cultivated and nurtured remain dormant untapped and wasted Many people have plodded along all their lives and sometimes gone to their graves without discovering and utilizing their abilities Consequently they have not really been of benefit to themselves and to their own generation This book provides the keys to discovering your inner abilities The book will help you to break free from low self esteem inadequacies rejection and to appreciate that you have what it takes to accomplish your purpose in life Your abilities are like gold you have to dig for them in order to bring them out

Summary of Myles Munroe's Single, Married, Separated and Life after Divorce Everest Media,2022-05-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 There is a myth of singleness which is the belief that being single is bad and unhealthy However there is no problem with being single The problem is with the definition society has given to it which is influenced by the god of this world 2 Adam was not alone because he had God as his companion The implication is that Adam was so unique and whole that he did not miss anyone You do not need to marry in order to avoid being alone as long as you have someone else like you to be your companion 3 God gave men the right to choose so He would not choose for them Thus it is up to men to choose their spouses Do not become overly spiritual or irrational in this regard 4 The word God used when He told Adam it was not good for him to be alone is used in three major foundational definitions exclusive isolated solitary To summarize God s view of singleness we must consider how much we have refined our separateness from others uniqueness to others and our wholeness for others *A Prosperity Phenomenon* Don Pickney,2012-07-20 The economy is in shambles

Riots and demonstrations in the streets have become daily occurrences worldwide The unemployment rate is staggering global debt is out of control and the world is paralyzed in the grip of terror What in the world is going on What if all of this could be happening just for your benefit as a Christian believer What if we are experiencing a great global orchestration of God's ability plan and purpose to transfer the immense wealth of the world into the hands of those who serve Him And what if this prosperity phenomenon forecasted in Scripture has already begun Dr Don G Pickney's ministry is dedicated to proving that on the fateful day of September 11 2001 the Lord of hosts began to unfold a biblical prophetic event revealed in Scripture as the Day of Jehovah Tsaba during which He would plunder the nations of their created glory their wealth goods substance means men and other resources converting it into the hands of the righteous a happening already being widely forecasted in charismatic Christianity Insightful and thought provoking A Prosperity Phenomenon will offer you a renewed sense of hope in the midst of global turmoil This God given message of purpose and prosperity will encourage you to face uncertain times in a different light reminding you that God is in control and faithful to those who love Him
