Women's Discipleship Journal:

Women's Discipleship Journal Jeff Canfield, Jeff Canfield D Min, 2014-12-13 Women's Discipleship Journal is a simple and effective resource for building Christ centered relationships. There are four basic goals presented: 1 Building new relationships or reigniting existing relationships around biblical truths 2 Recognizing and taking opportunities within these relationships to minister to spiritual needs 3 Developing regular study and discipleship habits 4 Showing Christ's love without any ulterior motives. This book isn't just a record of who we're praying for; it's also a journal of discipleship questions, biblical discussions, and our own personal growth. Included are a topical catalogue of Scripture references and a brief overview of each book of the Bible. Women's Discipleship Journal focuses on building five Christ centered relationships and compels us to give of ourselves for the benefit of others. It creates within us a hunger to see others come to know the Lord and grow in Him. It also creates an excitement about knowing and sharing the truth and ultimately seeing the truth set others free.

The One Year Women's Friendship Devotional Cheri Fuller, Sandra P. Aldrich, 2014-11-07 Women need to connect with other women in deep meaningful ways especially within the context of a mentoring relationship or spiritual friendship. Older women who have experienced the heartache of life's journey can offer encouragement and wisdom to younger women beginning their journey with God. Younger women can inspire and inform the older generation. The One Year Women's Friendship Devotional will not only provide daily wisdom and encouragement from God's Word throughout the year but will also encourage women across the country to cultivate meaningful spiritual friendships.
