Kathleen N. Kopp, 2000-06 Consists of activities that use visual enhancements as aids in developing writing skills of students **Motivating Reluctant Learners** Roger Norgate, 2023-01-06 The materials in this book are the product of work undertaken by Hampshire Psychology Service in collaboration with 22 primary and secondary schools to address the needs of children whose academic motivation was proving particularly problematic The five year project involved feedback and review sessions which helped refine the programme There are four sections Information on attribution theory and its application in the classroom Practical issues on implementing the programme Support for staff including a PowerPoint training session The

12 session pupil programme including facilitator notes The programme is designed to give pupils experience of success at the same time as encouraging them to attribute the success to their own effort skills and strategies It helps them to understand ability is not fixed learning is difficult for everyone and requires effort the significance of using strategies including help seeking and self talk the important of taking responsibility and setting SMART goals Participating staff reported changes in pupils the course effected a significant change and they moved into Year 10 options far more positive and motivated And also in themselves I thought the theory was one of the best things it was as if a light bulb had been turned on I have really gained in confidence as a consequence This pack contains a CD ROM with copiable activities DVD clips of pupil interviews and using the programme an example of a pupil booklet and the PowerPoint presentation **Cambridge Primary Mathematics**

Stage 6 Teacher's Resource with CD-ROM Emma Low,2014-05-22 This series is endorsed by Cambridge International Examinations and is part of Cambridge Maths This teacher s resource for stage 6 will fully support teachers to get the best from their learners and effectively use the learner s book and games book Detailed lesson plans based on the course objectives are offered along with additional activity ideas Teachers will be guided to formatively assess their learners understanding They will have the confidence to engage the class in mathematical discussion and encourage learners to justify answers and make connections between ideas Answers to the learner s book and all photocopiable sheets required are provided All book content plus more is included on the CD for convenience *Weaving Wellbeing into the Literacy*

Curriculum for Ages 5-7 Alison Waterhouse,Melanie Smith,2023-03-28 Combining literacy lessons with wellbeing this accessible guide full of practical lesson plans and photocopiable activities is the ideal resource for the busy primary school teacher Using popular children s books to explore themes such as relationships friendship listening anxiety sadness resilience and confidence each book focuses on the key areas shown to impact mental health and wellbeing to enable children to explore and think about difficult things Divided into five chapters each chapter focuses on an area that creates positive foundations for mental health and wellbeing relationships emotional literacy sense of self skills for learning and understanding how our brain influences our learning and behaviour Developed into a series of lesson plans for teachers and links to the literacy curriculum each story contains a range of teaching techniques that develop the key areas impacting mental health and wellbeing This invaluable resource will enable KS1 teachers to focus and develop their knowledge skills and understanding to incorporate wellbeing into the literacy curriculum **Focus on Writing Composition** Ray

Barker,Louis Fidge,1999 The supporting Teacher Resource Books offer practical advice on organising and using the course and provide a comprehensive range of further teaching ideas that cover all links with the NLS **Nelson Thornes Primary ICT.** Roy Jarratt,Debbie Green,2001 This series is an ICT scheme for primary school written to fit the QCA IT scheme of work revised National Curriculum and Scottish 5 14 guidelines It covers each year from Reception P1 to Year 6 P7 with structured at a glance lesson plans pupils materials and easy to manage resources on paper and CD ROM for evaluation assessment and

differentiation This teacher s book contains comprehensive weekly lesson plans for direct interactive teaching accessible to all teachers regardless of IT knowledge or competence The clear plans provide learning intentions cover IT vocabulary and include activities for the whole class groups or individuals

Special Educational Needs in the Primary School Jean Gross,2002 Reviews of the first two editions extraordinarily rich in ideas an essential buy TES an excellent clearly written work which is full of practical advice and presented in an easily readable manner This book is a highly recommended read Do buy it and see Support for Learning has proved especially influential at practitioner level never failing to offer a balanced assessment British Journal of Special Education I have a comprehensive library of books on special educational needs but I use this one more than any other because I find it readable practical and accessible It is a useful and informative book both to read cover to cover and to dip into Although it is based on sound theoretical knowledge it is clear that Jean Gross is writing from her own experience as a teacher and SEN practitioner TES Recent legislation and cutbacks to central support services mean that the responsibility for meeting special educational needs is resting ever more squarely on the shoulders of ordinary classroom teachers Yet few feel wholly confident in their ability to adapt work within the national curriculum to meet the whole range of needs or coordinate successful individual education plans for children who for whatever reason are not learning as well as they might This book will increase that confidence Aimed at busy class teachers special needs coordinators heads and teachers in training it shows how the teacher can build differentiation into planning lessons and schemes of work It describes workable strategies for managing the most common behaviour difficulties and meeting special needs in language literacy and mathematics At a whole school level it offers practical guidance on reviewing special needs policies assessment record keeping and the management of roles and resources The focus is on the way in which schools can do a good job in meeting special needs themselves within the everyday constraints of time money and energy and in so doing provide genuinely inclusive opportunities for all children This edition has been comprehensively updated and rewritten to cover the revised SEN Code of Practice and related legislation new directions in inclusion and all the major curriculum initiatives now in place in primary schools
