

ELA Instruction

- **Teaching English Language Learners (ELLs)**
 - Most effective strategy for helping ELLs understand the meaning of unknown words & enhancing their comprehension:
 - Teachers should introduce vocabulary prior to reading the text by pairing the words with pictures/illustrations.
 - Have ELLs share ideas with a partner before sharing aloud with the class in order to increase confidence and participation (if they are known to have high English proficiency outside of class/in social settings).
 - For ELLs at the “speech emergence” stage of language acquisition, provide a list of unfamiliar words and idioms from the passage with their meanings.
 - How technology in the classroom can aid ELL reading comprehension & literacy/fluency
- **Language Acquisition Stages**
 - **Preproduction:** Minimal comprehension, nodding, pointing, and babbling (minimal verbal responses)
 - **Early Production:** Better comprehension, 1- or 2-word responses
 - **Speech Emergence:** Better understanding but still has difficulty efficiently communicating verbally
 - **Intermediate Fluency:** Great comprehension; makes fewer grammatical errors
 - **Advanced Fluency:** Equivalency of a native speaker; development of academic language
- **Methods for collaborative classwork**
 - Peer Tutoring
 - Writing Workshop
 - Group Investigation
 - Jig-Saw

Technical Report Praxis Middle School Ela 504march

Marco Cascella

Technical Report Praxis Middle School Ela 504march:
