foundation of the entire WiiPi Leaks WL series and other related materials and channels for example the Dear Jammy letters Random Unexplained Diagrams RUD Jam Crab News Portraits Podcasts etc Why do we need a manual for a fictional novel series Well according to the author Jam Crab there should be explanations due to the nature of the content Meaning the future world as contrived by the WiiPi organization in WM069 is constructed and designed in accordance to the evil sinister WiiPi plot of world domination Also the WM069 does not stay within the physical cultural and or logic of our modern day society Therefore the behavior of the WiiPi characters organizations government affiliations machines and contraptions to support this fictional story we needed to justified the absurdity of the stuff in the original WM069 manual Warning the whole WiiPi Leaks WL Series of books is a mix of ironic comedy political satire current events and ludicrous inventions which we learned of from the Jam Crab not his or her real name WiiPi Leaks It touches on some creepy topics So here s the warning and if these topics in the WL Series are offensive we apologize here in advance As mentioned the content is intended to be used solely for the purpose of entertainment and is meant as a comedic work for an adult audience In other words the authors would rather laugh than cry about corporate greed American politics our hap hazard lives and any other issues throughout the world Updates there will need to be revisions as the series grows so it s suggested the readers check for updated editions Note this WiiPi Leaks manual is free no graphic diagrams included and contains almost everything the reader needs to follow along with the story and the links to accompanying diagrams Who is Jam Crab Well we here at the Jam Crab Group JCG of channels simply interpret leaked messages from Jam Crab JC our WiiPi informant We have never met JC In fact he or she is believed to be on the run from the evil clutches of WiiPi So we just wish JC well and hope he or she keeps the leaks coming in The JCG intends to take all the possible measures to deter WiiPi from implementing their devious scheme

Manuals Combined: AMPHIBIOUS WARFARE & NAVAL SCIENCE FOR THE MERCHANT MARINE OFFICER ,
AMPHIBIOUS WARFARE LETTER OF PROMULGATION This curriculum guide builds upon the work of many contributors Intellectual rigor and academic standards demand that the full scope of amphibious warfare be encompassed rather than the tracing of Marine Corps History emphasizing the landings of the Great Pacific War which had forged our modern Corps The present course structure and content reflect the determination that 1 the history of amphibious warfare remains a valid intellectual endeavor 2 its scope greatly exceeds the study of the U S Marine Corps and 3 a historical survey of amphibious warfare is best approached from a Maneuver Warfare perspective exploring the various levels of war and their impact on each battle The levels of war would include the political strategic operational and tactical technical This construct of classes will also prepare students to become critical thinkers of warfare and thus better prepare them for future commissioned service to the Marine Corps Instructors are cautioned to observe that this manual contains lesson guides not lesson plans Instructors must devote time for serious background reading in recommended literature course texts and contemplation of a conceptual approach that will capture the imagination of their students Another important objective of this course must be to

stimulate original thought and persistent interest on the part of the student PROFESSIONAL CORE COMPETENCY

OBJECTIVES The primary objectives of this course are to provide prospective merchant marine officers a basic understanding of their role in our national security and to familiarize them with the basic principles and procedures for operating a merchant ship as a naval or military auxiliary in a wartime convoy or independent sailing situation **Research**
