Television Show Sex Guide:

Sex Guides Patty Campbell, 2017-04-07 The history of the sex guide for adolescents documents the quite unconscious movement of Western culture's ideas about sex and youth revealing the heritage of our own sexual beliefs and codes of behaviour The first section of this book first published in 1986 traces the development of the sex guide examining 400 books from 1892 to the 1980s The second section comprises a detailed analysis of the patterns content and usefulness of all the contemporary manifestations of the genre The history of the teen sex manual is a fascinating revelation of American attitudes towards adolescent sexuality

Ordinary Television Frances Bonner, 2003-02-05 Most cultural analysis focuses on the spectacular and the unusual Frances Bonner has done us a great service by insisting on and demonstrating the importance of everyday TV Ordinary Television breaks genuinely new ground Toby Miller New York University In this book Frances Bonner provides a distinctive angle on a key area of research and teaching across media and cultural studies the content of television and the relations between television genres and audiences Hitherto most books on television have focused on drama or news and current affairs In other words they tend to ignore ordinary television lifestyle programmes and reality TV just the sort of programmes which increasingly dominate the schedules In Ordinary Television Frances Bonner makes a distinctive argument for regarding these disparate shows as a whole By examining a substantial range of these programmes Frances Bonner uncovers their shared characteristics especially through a consideration of the dominant and disguised discourses which pervade them In addition the comparative nature of her study enables the author to launch a powerful critique of conventional theories in relation to the globalization of television This book will be invaluable reading for anyone interested in television and the media in general

Electronic Media Criticism Peter B. Orlik, 2001 Given the prominence of the electronic media in the 21st century it is crucial that both media professionals and consumers know how to decipher and evaluate media content the assumptions on which that content is based and the constraints to which it is subject Electronic Media Criticism offers a variety of critical approaches to audio and video discourse Rather than restricting itself to one perspective the book applies key aesthetic sociological philosophical psychological structural and economic principles to arrive at a comprehensive evaluation of both programming and advertising content Maintaining the approach of the original volume this second edition includes updated chapters to reflect the current media world including sample reviews and illustrations material pertaining to new media because the book is process oriented rather than medium oriented Internet referents are interspersed in discussion of the various critical perspectives two additional scripts for critical analysis an episode of The Simpsons and an installment of the dark Canadian comedy The Newsroom and new exercises for further practice in applying critical procedures Orlik interweaves the insights of industry and academic authorities recognizing that both orientations are essential in the development of a valid and viable critical outlook Written for media students and practitioners all readers of this volume will gain feasible and flexible tools for focused and rational analysis of electronic media products as well as improved understanding of the role and essential ingredients of criticism itself

Art and Merchandise in Keith Haring's Pop Shop Amy Raffel, 2020-12-30 As one of the first academic monographs on Keith Haring this book uses the Pop Shop a previously overlooked enterprise and artist merchandising as tools to reconsider the significance and legacy of Haring's career as a whole Haring developed an alternative approach to both the marketing and the social efficacy of art he controlled

the sales and distribution of his merchandise while also promulgating his belief in accessibility and community activism He proved that mass produced objects can be used strategically to form a community and create social change Furthermore looking beyond the 1980s into the 1990s and 2000s Haring and his shop prefigured artists emerging self aware involvement with the mass media and the art world s growing dependence on marketing and commercialism The book will be of interest to scholars or students studying art history consumer culture cultural studies media studies or market studies as well as anyone with a curiosity about Haring and his work the 1980s art scene in New York the East Village street art art activism and art merchandising **Bloodbath** Patricia Edgar,2006-01-01 Patricia Edgar has been named one of the ten most influential people in the development of Australian television production Her candid memoir offers a rare behind the scenes look at the television industry and its politics It also tells her own story of how a young girl from Mildura became a leading innovator in Australian children s television production and a voice to be reckoned with in a tough business As a regulator and policy maker Dr Edgar s take no prisoners style won her great fans and made her bitter enemies Dr Edgar was the first woman appointed to the Australian Broadcasting Control Board For ten years she fought for more locally produced first release children s drama on Australian television In the early 1980s she helped establish the Australian Children s Television Foundation creating some of the most celebrated television ever produced for Australian children including the Round the Twist series which sold into more than 100 countries During her twenty year tenure the ACTF won multiple awards including a coveted Emmy and made co productions with the BBC Disney and Revcom Along the way Dr Edgar worked with a host of notable Australians including Janet and Robert Holmes O Court Bruce Gyngell Hazel Hawke Phillip Adams Gulumbu Yunupingu and her brothers Galarrwuy and Mandawuy Steve Vizard Hilary McPhee and Paul Jennings Bloodbath sets its author s triumphs and setbacks in the television industry into the wider perspective of political and economic change the forces of consumerism and the global marketplace This memoir reveals Dr Edgar as she really is a sensitive thoughtful determined woman still working to make the media environment one of quality not pap and a force for learning as well as entertainment Bloodbath is a must read for every Australian in the media industry every parent raising a child every woman who ever strove for career success and anyone interested in how leadership works **Resources in Education** ,1988
