

TELL ME ABOUT YOUR WORK EXPERIENCE

WITH SAMPLE ANSWER

There are no right or wrong answers to questions like "What are the most difficult decisions you have to make?" or "Have you ever had to make a really tough decision at work?" Employers simply want to see that, when you face a difficult decision or situation, you are able to handle it. They also want to see what kind of decisions you consider difficult. There are behavioral interview questions designed to discover how you handled certain situations.

The logic behind these types of questions is that how you behaved in the past is a predictor of what you will do in the future.
