Slow Burn The Driven Series:

Slow Burn K. Bromberg, 2015-03-26 From the New York Times and USA Today bestselling author of the Driven series One night That s all it was supposed to be Reeling from the sudden loss of her sister Haddie Montgomery has sworn off relationships All she wanted from Beckett Daniels was a sexy distraction to help her escape her pain for just a little while There weren t supposed to be any strings attached so why can t she shake the memory of that unforgettable night from her thoughts Or the taste of his kiss from her lips No matter how hard Haddie tries to forget about him Becks relentlessly tries to prove that she should start living for today But she is determined to avoid romantic commitment and she can always use her ex boyfriend s reappearance to help snuff out the slow burn within her that Becks has sparked Or will fate force her to realize that this kind of connection doesn t come along very often and a chance at love is worth the risk **Slow Burn** K.

Science of Breath Swami Rama,Rudolph Ballentine,Alan Hymes,1998 Much of the Western world was completely unaware of the profound impact of the breath on the body and mind until the 1970 s It was during this time that Swami Rama astonished physiologists by demonstrating perfect control over his heart rate and brain waves something Western scientists didn t believe humans could possibly achieve In this book Swami Rama shares some of the basic breathing techniques practiced by Himalayan yogis so that you too can experience the profound effects of pranayama and breath control The goal of Science of Breath is to present knowledge and practices regarding the breath in a way that can be applied to personal growth This book is a masterful guide to systematically identifying bad breathing habits replacing those habits with healthy breathing patterns and developing control over pranic flow Learn how to develop and

master the link between your body and mind through the understanding of the breath With increased awareness and control of the subtle aspects of breathing one can effect deep physical and psychological changes and begin to master the roaming tendencies of the mind Science of Breath opens the door to a new way of being providing a powerful tool in the pursuit of holistic health and personal growth 1926-1929 National Board of Fire Underwriters,1926 *The Wood-worker* ,1920
